More Last Day Warnings

The Ruach gave clear warning to Rav Shaul & all last day believers.

v1- Last times - husterion. - the slimiest & most grotesque & dirtiest of times. The slimiest time ever known to man. These days will make Sodom & Gemmorah look like a messianic service. The last generation before Yeshua's return will be: Characterized by: Demonic manifestations such as:

1) Mass apostasia - Falling away from the faith. Mass heresies among God's flock. Can't fall away from the faith if one was never in it. 1 Peter 4:17-18. (1) Believers will leave their first love, and long held Biblical beliefs. (2) Lukewarm believers are exposed. People (professors) will walk away from Calvary. (3) Homosexuals will be ordained to Gospel ministry. (4) Removal of basic tenants of the historic Messianic faith. (5) Recently the Methodists removed all their hymnals, that made mention of the blood, the virgin birth & other essentials. (6) Many mainline denominations have embraced the demonic doctrines of Freemasonry. Masons are teaching our children in Shabbat School & in Bible Studies (2 Corinth 6:14-16). The Southern Baptist Convention is full of Freemasons. (7) The liberalization of God's Word. Preachers & elders denying divine inspiration. Bible seminaries and colleges produce heretics who sit in judgement of God's word, utilaterally deciding to pick & choose parts of the Bible they don't like. It is harder than ever to find Bible believing colleges & professors. (2 Tim 3:15-16). (8) The widespread acceptance of the "mind sciences", instead of the revealed mind of Messiah. Metaphysical teachings, mind projection, name it & claim it, blab it & grab it, auto suggestion, & mind manipulation. (Phil 2:5, 1 Cor 2:13) L. Ron Hubbard, Christian Science - Mary Baker Eddy, The unscriptural writings of Ellen G. White. Extrabiblical revelations abounding - (9) Open denial of the sign gifts (2 Tim 1:25). Is a

denial of the reality of Yeshua's soon return. "The attitude that God can but usually chooses not to", is a religous lie from hell's pit. Heb 13:8-Mal 3:6. Psalm 103:1-2 "Religous demons intent on humanizing Yeshua". The power of agreement cannot take place in that atmosphere. (10) Increasing worship of Mother God or gender-neuteral God. Mother god, mother earth, mother nature. (11) Witchcraft - born again believers trusting horoscopes for daily guidance or trusting icons. (12) Co-laborators with abortion. Guilt by silence. Open "understanding" sympathy of the murderous pro-life movement. The Spirit teaches expressly:

Revival For God's Metelah Cannot & Will Not Take place in the Last Days.

*- Revival - Is not promised for the last days. - Revival - to reproduce life. To bring back to a normal condition. No revival is forthcoming in the Kahalot. That is not scriptural. Men will depart without returning to the first century faith. Men will have the faith & apostasize others, not reimburse the faith. Only the very elect will not be deceived. Luke 18:8 - Yeshua was concerned that He would find Biblical faith, at His return. 2 Thess 2:3-

1 Tim 4:2 - Lies - pseudo-logos - False words. The last days will be characterized by Satan's words being peddled by Bible believers and also by wolves, as God's Words.

The Kahalot are not full of hypocrites. All hypocrites stay out of the Kahalot. The world is full of hypocrites. A real hypocrite cannot admit to sin. But a last days phenomenon will find hypocrites in the church for the first time.
