

## ***Sukkoth-The Regathering of Rain Back Into Our Yisraelite Families!!!***

**FISH GO UP TO GATHER IN SCHOOLS/TRIBES/FAMILIES WHEN IT RAINS!!!!** That's the time to fish! The Geshem Yoreh-teaching rain is our calling that makes us those fishers of men. Mattityahu 4:19 And He said to them, "Follow Me, and I will make you fishers of men. 20 And they immediately left their nets, and followed Him."

**MALKOSH-Kingdom rain into our Families! This is our goal and call-To be like Eliyahu HaNavi and to call the kingdom rain of restoration and abundance into our families by proclamation and by lifestyle the more difficult part! Iyov-**Job 38:28.****

***Does the rain have an abba? Or, who has brought forth the drops of dew? Does it have an Abba and a King? Or both? How about a King-Kohen and His 153 fishes? We are the ahvot-fathers of the end time tribes/schools that bring in malkosh rain, producing the kingdom seed catch of 153 in gematria the B'nai Elohim. Most of the 153 fishes do not even realize they need spiritual kingdom abbas'-kohanim' to lead by example. They have many instructors but only ONE spiritual abba. Most called abbas' of the latter rain are AWOL, or their fish do not desire their oversight! The fish for the most part desire to stay in school and not get caught to be cleaned up and prepared! SAD!***

***You live like Yahushua is asking you to, to be an example to the flock and the father of the malkosh rain in doctrine and in deed! Living a life that's HIS choosing and not yours or you're disqualified! Most of us TELL HIM how far we'll go and what we will, or won't do! That's not fatherhood material!***

**Beresheeth 2: 5 And every plant of the field before it was in the earth, and every herb of the field before it grew: for YHWH Elohim had not caused it to rain upon the earth, and there was not a man to till the ground. 6 But there went up a mist from the earth, and watered the whole face of the ground.**

**At one time Abba YHWH was the only Abba of the rain. Since the fall, the mist or Shechinah-divine abiding presence is missing on an abiding basis. Yet a time of 153 fishes and rain will come to us, IF we build our families and tribes the right way! If we allow ourselves to become fathers of the Sukkoth rain! If we become the fishers and tillers of the school of the 153 fish.**

**Rain can destroy (false teachings and false kingdom family building) or give life.**

**We want the rain of the teaching King "Geshem Yoreh" and the kingdom rain "Geshem Malkosh" to water our families back to the perpetual mist emanating from Yahrushalayim to the entire earth! That's the goal!**

**In Shemot 16:4 we see the rain of the knowledge of the true Shabbat and the solar lunar calendar. This is for the spiritual growth of the families/tribes of Israel. Shevtay or permanent ones of Israel. Shevtay meaning tribes can also mean permanent ones! Permanent rain or kingdom rain! Wayiqra 26:4, rain comes in seasons and we need to be in season as families, living as He desires to receive the rain of life rather than a rain of death such as hail. Devarim 11:11 and 14-17, our homes where our kingdom families live will drink in the rain, as well as the families of the kingdom. See, it generally rains on the just and unjust. But those who build Israel according to pattern will inherit a rain that the Gentiles cannot. Malchut rain-Geshem Malkosh! Devarim 28:12 rain is seasonal. Limited time to build in season. Night (Great Tribulation) comes when no man works His work. Devarim 28:24 rain can be a blessing, or cursing depending if you're a Gentile or a religious person, or an Yisraelite building according to pattern. REMEMBER RAIN IS SEASONAL!!! MISS WHAT HE IS SAYING NOW AND BE WHERE YOU DON'T WANT TO BE IN THE FUTURE! Are you allowing HIM to speak to you at this Congress, or are you here merely to see and be seen yourself? Only you can answer that!**

Devarim 2:2-3 rain can be the true Shabbat or any tested doctrine from Torah. We must use doctrinal rain if we are ever going to taste the goal. FATHERS OF THE GESHEM MALKOSH! The rain of Kings and for Kings. And tributaries for the Kingdom rain of the 153 remnant fish!

First Melachim 8:35-36. First Kings 17:1, 18:1 men of Yah have authority when it comes to bringing rain to the land and their families. First Kings 18:1, kingdom rain comes in the 3<sup>rd</sup> millennium after the dryness of exile. Yeshayahu 4:6 shows us that building things YHWHs ways, HIS SUKKAH OF YISRAEL, averts the rain of famine and destruction and brings in the rain of favor and abundance. Yeshayahu 30:23 again speaks of kingdom rain for YOUR CHILDREN, through you, the patriarch! Yeshayahu 44:14, 55:10-12, Yirmeyahu 3:1-3, unbiblical sex (fornication and adultery) and intimacy causes kingdom rain to be missed by most of the 2 billion of numerical Israel! Look around today. We have 60 or so...where is Israel? Where are her FATHERS? Her PATRIARCHS? Whoring in paganism or in religious duties or in BASIC Hebrew roots classes/schools and AWOL from assignment and from revealed prophetic truth. SAD!

Yirmeyahu 5:24-25, Ezekiel 14:22, 34:26. Hoshea 6:2-3...those faithful and loyal to the TEACHING rain, Geshem Yoreh, will inherit the KINGDOM rain Geshem Malkosh. Teach YOREH RAIN-DOCTRINE of TORAH and build your families by HIS PATTERN and your reward will be to be to FATHER the remnant seed of the 153 fish, drawn UP to Malkosh or the Kingly rain, reserved for tribal kings and their seed alone!

Rev. 1:6. Hoshea 10:12, Yoel 2:23-24, Ahmos 4:7, Zecharyah 10:1, Zecharyah 14:16-19. Tehillim 72:6 the coming King is likened to the kingdom rain-geshem He brings. Mishle 16:15, Shir HaShirim 2:11, Divre HaYamim Bet 7:13-14.

Acts 14:17, rain is a sign of His pleasure in us. Yaakov 5:7, 5:17-So we are the ahvot of the rain now coming into our families! The teaching rain leads to the kingdom rain. If we don't teach ALL things He shows us primarily on what LIFESTYLES are and are not kosher, we WILL forfeit our calling as fathers' of the rain and the 153 remnant fish, as we fish among the 6 billion, for the remnant flock of His own hand! We cannot and must not allow the olam to define how and for what purpose we live, move about and have our very being!

Ivrim 6:7-9, 12. Gilyahna 11:4-6. The restoration messenger, like Eliyahu before us, who builds His family by YHWH's permission and guidance and not the state's, or religious powers, have the patriarchal POWER of and over the "Geshem MALKOSH"-Kingdom rain and are the Abbas' of the rain that seeds their tribes and families, as they put on the breastplate of mishpat and reclaim that breastplate from both church and state! We are those who trust in the full and total separation from church and state. Not church from state, but from both church and state. Because truly our Kingdom is not of this world and neither is the rain that makes it rise again!
