

Genesis 24:7 Israel's Leading Angel-

Yahshua is not an angel!! He is YHWH the Son, who always was and will always be. However in Tanach, the Son of YHWH would periodically show up in the flesh. When that occurred, it is referred to as a theophany or christophany. It is a pre-Bethlehem appearance of Elohim's Son on earth. One of the most frequent manifestations of Yahshua ⁱⁿ a theophany, was often as "Malach YHWH" or The Angel of YHWH. Most angels are simply messengers. They do not provide guidance, leadership & revelation. However the Malach YHWH, is none other than the pre-incarnate Yahshua!

Genesis 24:7-40 - "His angel". Not an angel. Seen here as fulfilling the role of Ruach Hakodesh, in seeking a bride for Isaac. He provides leadership in the servants steps & revelation of Isaac's bride.

Genesis 48:16 - The Angel of Jacob's redemption is Yahshua. Only Elohim can provide redemption from sin, death & the grave. Jacob claims his redemption through Yahshua!

Exodus 23: v. 20-25 - #1 v. 20. This Angel is once again the Leader in a relocation & protection. #2 v. 21. YHWH commands Israel to reverence, obey & not provoke or tempt Him. #3 YHWH's name is in this Malach v. 21 - Clahshua. Israel is warned that disobedience to Malach will result in a withholding of divine pardon!

#4 v. 22 - YHWH says that His voice will be speaking through this Malach giving instruction (Torah) for the defeat of Israel's enemies!
v. 23 - #5 - YHWH will destroy the enemies of Israel, as the Malach, once Israel arrives in Canaan.

v. 27 #6 - Israel is informed by YHWH that this Angel should be feared as well as reverenced & followed. (Matt 10:28) - John 3:34

Exodus 32:34 - The Malach YHWH, will not only provide traveling mercy, but is the one through whom punishment for the golden calf will be executed. Vangam is

Misa says YHWH!

Exodus 33:2 & v's 12-14. The Malach Elohim of v. 2, is clearly called the presence or Spirit of YHWH in v. 14!, therefore is Yahshua!

Numbers 20:76 - The Malach YHWH, is the one who delivered Israel from Egypt. The Father sent the Son to deliver Israel from Egypt! Sound familiar? They wound up in Kadesh! (Set apart by the Son!) Isaiah 63:8-9 the angel is called the angel of His presence, as well as Israel's Saviour!

Judges - 13: v3 - Yahshua, the Malach YHWH, appears to Manoah's wife then to Manoah v. 10-11. v. 17-18 - The angel did not reveal His name until Matt 1:21! Samson's parents acknowledge the Malach YHWH, as YHWH Yahshua! v. 22 & 23!

Close - Yahshua the Malach of Tanach, is the one who wrestled with Yakov. Gen. 32, v. 24 says that Yakov wrestled with a man! v. 28, refers to the man as Elohim! Yakov acknowledges that this man was Elohim Himself v. 30! In Hosea 9:12:4 we see further that this theophany was with the Malach of YHWH, Himself known to us as Yahshua even though His name was unknown by anyone in Tanach!

The Malach is never seen again in Brit Chadashah, since in Brit Chadashah, the greater revelation, we now know Him as YHWH's glorious ^{actual} Son! (Prov. 30:4!) He didn't disappear from scripture He only revealed Himself more directly & more fully!
