

Text: Rom 14:23-

O₂ - C₁ - A Deadly Formula

①

Sin - Hamartia. O₂ - 2 Sins of Omission - C₁ - 1 Sin of Commission. Anything given by God to us not received in faith is sin. Omit - To neglect to enact something. Committ - To partake in a crime against God.

O₁ - 1) Omittance - Worry, Fear Doubt, Double-mindedness. In areas of liberty we are free to be led by the Spirit. But we can sin in the freedom. If God speaks His word to you, you must not fail to obey the personal revelation of God.

Sin by disobeying liberty. Dishonoring a personal word.

Rom 14:23 - Not acting in faith on personal revelations of liberty behavior. "Neglecting personal conviction". James 4:17.

Omission sins are not open rebellion.

O₂ - 2) Knowing but not doing the Word. James 1:22 - Matt 23:23. Religious spirits, stopping you from following through.

C₁ - 3) Commission Sins - Willful acts of rebellion & lawless disobedience. Flaunting rebellion & criminality. A spirit of rebellion in which a believer neither hears or does.

This lawlessness is committed by backslidden believers.

Open criminal activity against divine gov't. Problem children are often engaged in criminal activity. An "in your face" mentality against God. (U.7).

Close - V 8 & 9 - Who is born of God does not practice sins of commission openly & regularly against God. True believers do fall into sins of omission. The devil is involved in criminal activity (U8) against God.
