2) Sit Day Principle

Six Days Always precede the end or the judgement. (Psalm 90:4) Six Days of weekly work followed by Sabbath (Ex 20:2-3) The Lord will grant his creation liberty & rest during the 7th millennium of man. (Rev 20:2-6)

(Gen 2:1-3)

~~Completed~~ 2,008 yrs from Adam to Abraham & 4,000 yrs from Abraham to now. Both the Talmud and the writings of early Church fathers, (Justin Martyr, Barnabas, Irenaeus) all held to this belief.

3) Fasting Principle

The 7 feasts of Israel (Lev 23), are a chronological commentary of Messiah's redemptive plan for the world. The last 3 will be full filled at Messiah's return in the 7,000 yr of human history.

4)

Luke 21:29 - All The Trees, is a last days sign. Of the 170 nations on earth in 1998 98 of them have been formed since 1945. This is due to the breakup of the Turkish, British & French empires.

Multiple Tree Principles

5) Israel's Second Generation Principle - The 2nd generation of Israelites entered the promised land under Joshua. (Under 20) Those under 20 in 1948 are still alive today & will be until about 2,010. This 1948 is the 2nd generation, to the first one who rejected Yeshua in 30AD.

(Yeshua)

The first generation died in unbelief, now it is the 2nd generation, that has entered in. The same way Joshua led the 2nd generation into Israel, today Yeshua (Joshua) will return to lead this 2nd generation.

6) The <sup>Gracious</sup> Second "Offer" Principle - Moses ascended Sinai twice to get the Torah. Two generations were offered the promise and before entering, & now Messiah will present Himself to the 2nd generation before being accepted. (or the First generation since 30AD)

7) The <sup>Gracious</sup> Second "Offer" Principle - Moses ascended Sinai twice to get the Torah. Two generations were offered the promise and before entering, & now Messiah will present Himself to the 2nd generation before being accepted. (or the First generation since 30AD)

7) The "Third Day" Principle - ~~after 2 days or~~ after 2 days or 2,000 yrs (God will revive us to the land of Israel. But starting with ~~3rd millennium~~ or the 7,000 yr of man's existence, they will be spiritually raised from the dead, so that we (the Jews) can live permanently in his sight. (Hosea 5:15-6:2)! (1 Day = 1,000 yrs) @ Pet: 38

7.5) "Final Status" Negotiation Principle - Could not happen before 1967! Zachariah 12:1-3! Zachariah 14:1-5!
