## Lev. 25:10-Act 3:21. A Historic Time Of Liberty Part 2

Certain promises are certain to come to pass in 1998. Are we ready? Are you ready? Heb: 3-12! Four If Promises!

1) Lev 25:45-46 Transference of Wealth - Matt. 6:33 - Prov. 13:22 We have been busy Ezech 46:17 seeking Yeshua's Kingdom, & since the unsaved have been busy making money Property a great exchange & transfer of wealth will come to pass this transference Shenat HaToval. "They & their belongings will become our also in property!" v. 45. The unsaved will be commanded by HaShem to Millennium! release to you your inheritance. Biblical "time sharing".

2) Lev 25:46, Deut. 15:6 - Daniel 2:44 - Gentile Dominion of the last

Read 2) 2,000 years over the Jew is coming to a quick close this year.

Ezech: As Jews increasingly return to Israel, Jews will no longer need lands, jobs, money & favors (economic) from Goyim. HaShem has seen the slavery of His people to foreign nations & in Shenat HaToval, He is releasing & negating Gentile dominion. <sup>Lev 25</sup> v. 41-42. Yeshua will not allow Bnei Yisrael to be in any bondage to Goyim as the days of Mashiach approach. <sup>Gen. 9:36</sup>

### 3.1) A Mighty Reversal Of The Curse + Plague Of Intermarriage

Numbers 36:4-13. For the Jewish believer the Lord forbids his intermarriage with 1) non-believers 2) non-jews. While this may bother you it is still biblically true. 2 Cor 6:14 warns Jewish believers that a

Matt: marriage to a Gentile believer could result in Lawlessness or anti-Torah bias! For Gentile believers in Messiah this is the year of HaShem's favor in bringing you 1) a believer 2) a Torah observant Gentile!

\* End to all types of unequal yokes - Torah vs no Torah, Light vs Darkness, Messiah vs Satan, God's temple (people) with idolatry.

\* Challenge - Our intermarriage rate must be less than the Babylonian Church & the traditional Jewish community. 2 Cor. 3:2. Living epistles. <sup>we are</sup>

Matt 23:14 \* Restoration Of The Prophetic Voice Among G-d's People - Prophets have been killed through 1) physical death 2) stifling by idolatrous

multitudes. Matt 23:29-33. For 2,000 years the harlot element of  
Christendom has screamed Isaiah 30:9-10! Their crimes against God is  
found in Ezekiel 22:26 & Jer. 6:19! Babylonian beliefism has shot out the  
voice of the prophet & killed their corrective voices & ministries, to follow priests of Babel!

Today in this Shenat Ha'ovel, the voice of the uncompromising prophet is  
once again being received & hearkened to! God's people are leaving the tents  
of Japheth & returning to listen for the prophet's voice under the tents of  
Shem! Through the restoration of the prophet's call multitudes are  
repenting of breaking Torah, which according to Isaiah 24:5, is an eternal  
part of the New & everlasting Covenant. To obey the prophets is usually  
a call to reject the "smooth sayings" of the priests & pastors (Hos 4:6).

Luke 13:28 reminds us that it is the prophets & those who follow the prophets  
that will be sitting at Kingdom Tables that are Reserved.
