

Text: Isaiah 7 Personality Traits Of The Ruach-
11:1-3. In Israel's Restoration!

Yeshua

In John 14 through 16 Yeshua teaches that the Ruach is ^{the} a living ~~being~~ with all the attributes of deity, all the while maintaining identifiable & visible traits of personhood. He (Ruach) ~~has~~ ^{has} several functions of personhood & personality. In order to fully analyze the personality traits of the Ruach, we need to examine them from the full measure that abided upon & within Yeshua. It would do no good for us to analyze the Ruach abiding in us, since to us the Ruach is given in administered levels. None of us have all of Him, so therefore any analysis would be incomplete. The only accurate analysis would have to be done on the traits of the Ruach as found ~~in~~ in Yeshua's earthly ministry. John 3:34-

① The Spirit Of Wisdom- Wisdom exceeding Solomon's. The one who gave Solomon his earthly wisdom, must ~~be~~ have greater wisdom than the recipient of wisdom. Heavenly wisdom always right, always pure, always insightful to every situation. James 3:17-18. His wisdom is the key to restoration. Luke 11:52 Available to man.

② The Spirit Of Understanding- Teacher. This aspect of the Ruach is the one that has supernatural teaching ability. When He teaches His children, they receive heavenly understanding & divine revelation, into the unseen. He takes eternal truths from the Father to impart to us. This teaching ministry brings all things spiritually learned to our memory. This cannot be duplicated by a human teacher. Furthermore 1 John 2:27, tells us that the Ruach can teach us directly bypassing the need of human agency, should & when He chooses to do so. The ministry of reminding us of the things of the Kingdom.

③ The Spirit Of Counsel- Isaiah 9:6. Counselling about life's most difficult situations is available through the counselling ministry of the Ruach Ha Kodesh. He is the one who would counsel the Father's words to Yeshua, during the often difficult & dark days of Yeshua's suffering, & earthly ministry. If Yeshua had to rely on the advice of the

Ruach, we all the more need to. Many believers are dragged into the counsellor's office because of neglecting to rely on the Spirit of Counsel. Only divine counselling can end Israel's sibling rivalries.

④ The Spirit Of Strength - Yeshua's strength physically & spiritual far exceeded that of Samson. Even His enemies couldn't deny His power. The power to heal, deliver, set captives free all came from this personality of the Ruach. It was the personality trait of power & strength, that the Pharisees sinned against. The Sin Against the Spirit was an accusation against the Spirit of Strength, that Yeshua relied on. (Matt 12:30-32). (John 7:30-31). (John 9:32-33). (Acts 1:8). Power to change & effect change comes from this trait. Though they hated Yeshua, they could not deny His miraculous power. The change in Judah & Ephraim will come from the Spirit of Strength.

⑤ The Spirit Of Knowledge - This trait of His personality speaks of all the foreknowledge and omniscience of God. Only God could declare to mankind things that occurred in the past & things that will yet occur in the future. This is the kind of knowledge that cannot be obtained through study but only through revelation. This is eternally concealed knowledge about God, man & the earth, that can be imparted by the omniscience of God. This omniscience enabled Yeshua to take actions based on the all knowing personality trait of the Ruach.

⑥ The Spirit Of Fear - This trait is not fear as in afraid. It is the reverence of the Almighty, Respect & honor towards ~~the Father~~ The Ruach has a personality trait that truly is in awe & respect of the Father's grand architectural ability. Though the Ruach is ~~Yeshua~~, He is the vehicle of fulfillment. He is the executor of the Father's will.

The Ruach Himself is in awe of the grand design & blueprints of the Father to enact change & establish order out of Chaos.

Yeshua had this same awe & reverence for the Father, because this aspect of the Ruach's personality was in Him without measure.

~~It will delight in the favor of the Lord.~~ This respect of the Ruach is the one that guards Torah in full reverent submission.
