The Congregational Passover - The Passover celebration remained intact, but The Father moved it from inside the house to His House in His City. ~~Deut.~~ Deut. 16:1-8. Yahweh moves the celebration in around 1,000 B.C. The Father through this action was firmly establishing Jerusalem as the holiest site on earth. Furthermore he was indicating the principal of honoring him by "ascending Jerusalem", the ultimate seat of world govt. Yahweh was also fullfilling Abrahams Gen. 22:8-14, prophecy, about the incarnation and the mountain of its fulfillment. By coming to Jerusalem for redemption, the principal of Messiah's salvation breaking forth from Jerusalem was set. A pronouncement of Yahweh's sovereignty "He chooses".

Personal Passover - The Father allowed the place of the congregational Passover to be destroyed, because of Luke 19:44. Jewish Israel did not recognize Messiah's appearing. They lost the right to host the national congregational Passover. Nevertheless Yahshua instituted the personal Passover. This personal Passover focuses in on Yahshua's body as the temple & His blood as the Lamb of Yah. The receiving of Yahshua as personal savior opens the door to enjoy personal table

fellowship with Messiah. Rev 3:20 Luke 22:15-20. Unlike the previous two passovers the personal passover would be reserved only for the righteous remnant of Israel, as opposed to monsters posing as Israel within Israel. The Father moved this passover celebration from Jerusalem to our hearts and from the 14th of Nissan exclusively to every day of every year. 1 Corinth 5:7, 1 Corinth 11:23-26, For as often. To teach us personal intimacy with Yeshua! Hearing His voice!

The Kingdom Passover - prophesied by Yeshua - Matt 26:29, Luke 22:16, 1, Corinth 11:26. Kingdom Passover starts when he comes. Rev 19:9. Unlike the other passovers this is neither an annual event or a daily event. It is a one time feast where the Lamb marries His bride New Covenant Israel. The location for the first time is not on earth, rather it takes place in heaven. At this passover both houses of Israel both brothers will be fully re-united and bonded to enter the millenium, as Echqd!
