

Promise OF The Father! TO EPHRAIM!

Isaiah 28:1-3 Ephraim is drunk with wine & stupidity.

Isaiah 28:10-11 Yehovah will speak to him in his return to righteousness. Yehovah promised to speak to Ephraim with "stammering lips" & "another tongue". Isaiah 28:11.

Isaiah 28:12 Yehovah has determined that returning Ephraim/Israel will find peace, rest, & Yehovah's voice restored to them by this gift of non Hebrew Tongues. Ephraim's refreshing is to be found in the Father's voice coming in a new tongue, not Hebrew. Zeph 3:9 can be understood as Yehovah's gift of Tashon Kadosh, not as Hebrew but as Spirit, birthed, induced and derived. Tongues are also designed to teach Israel's scattered sheep His True Name. Zeph 3:9. Zeph 3:10 says it will be for Israel's dispersed children beyond Ethiopia & beyond Africa. Zeph 3:12-13 says that when the Promise of the Father comes, Israel's dispersed will trust in Yehovah's name as all man's deceitful tongues are replaced by a pure tongue or "Lavan Sent" tongue. Joel 2:28 "the Spirit infilling" was promised to the daughters & sons of Israel.

Luke 24:49 refers to the promise of the Father.

Mark 16:15 "go to all the world's nations" Mark 16:17 with new tongues. Ephraim is waiting.

Acts 1:4, believes Israel was to wait for this promise of pure tongues, in order to have power U, 6 to restore Israel. Acts 1:8, Acts 2:4, 7, 13, 22, 36, 39. Notice in U36 tongues were given

as the Father promised to all of the returning believing
remnant of the House of Israel! Ephraim V. 39, states that
tongues will be the ~~language~~ of Yahweh to all future
generations of believing, returning, Israel.

The Corinthians, were an Ephraimite Assembly. Thus when
Paul speaks of gifts & their abuse he quotes Isaiah 28:11.
*1 Cor. 14:20- This true understanding of tongues requires maturity, ^{to be} Isaiah 28:11
*21- The gift of tongues was a Torah ordinance. He quotes Isaiah 28:11
28:11 as being full filled in Corinth. If the promise was
given to Israel & if Yeshua's disciples taught that same
promise, that establishes the fact that those who do
minister or hear New Covenant tongues are Israel.

V21 B speaks of "they still will not hear". This refers to the
abuse of the gift, so as to make it appear as confusion
in a "church" context, instead of the promise to returning
Israel, as a language to draw them home!

V22 Tongues are for our people in their UNBELIEF, so as
to arouse them & awaken them in their worldly slumber.
Thus Tongues are in their primary manifestation a sign to
the carnal "drunkards of Ephraim" to respond to Yahweh's call
to return to Him. True tongues is Yahweh calling
Israel to Messiah & Torah & to witness both.

V27 - Tongues is Torah & from Torah & thus like all the rest of
Torah, must be believed by 2 or 3 witnesses.

V. 14 - Tongues "as promised" is Yahweh speaking to Ephraim in the
spirit.

V. 15 Ephraim responds by praying & singing in the spirit back
to Yahweh.

Close - This is the promise of the Father back in Isaiah 28!
Psalms 81: 4-5. Isaiah 8: 18.
