

Esther 8:7 - "The War Is Over" ("I Have Given Esther The House of Haman")

spiritual military conflict has raged unresolved until this hour. The hour of King David King Saul a Benjamite was the son of Kish. He was a lukewarm 9:2 double minded & disobedient king.

In 1 Samuel 15:1 G-d commands utter destruction of Amalek and its King Agag. In 1 Samuel 15:10-18 we see the Lord & Samuel rebuking Saul's lust and disobedience. In v.9 we are told that Saul's biggest mistake was sparing Agag. Even Saul's offer of blood atonement would not reverse the wrath of G-d. 1 Sam. 15:22-23! In v. 33 Samuel kills Agag, but the damage has been done. The Agagites (Amalekites) multiplied & were not eliminated! They are desecrating Esther 3:1, we see the result of disobedience by Saul. Haman is revealed as an Agagite. Mordecai was a Benjamite son of Kish. (Esther 2:5)

Had Saul the Benjamite destroyed ~~Agag~~ the Amalekites, G-d wouldn't have had to raise up Mordecai the Benjamite ^{Esther} to destroy Haman the Amalekite. Mordecai is a type of Israel, Amalek the enemies of the Jews and Esther is a type of Ephraim/Israel who is in "blindage" yet still Israel (Esther 3:6) Haman's declared defeat (10:16) every generation!

Exodus 17:14 G-d prophesies His command to Saul. Ex 17:6 G-d reveals the result of Saul's disobedience! (10:16) Jewish historians teach that Hitler ^{was a} Amalek. Close - Just like Moses could not defeat Amalek alone (see end Hur & Joshua), so too Mordecai needed Esther to hold up the hands of his cause.

Esther - Is the "Joshua & Hur of This hour". She is revealing her Israelite nationality (Est 2:3), and stepping into the King's inner chamber (Est 5:2), to stand up for Mordecai. She is casting care to the wind (Est 4:14/16). The house of Haman (Amalek) has been given permanently to Esther to stand up as Israel & through Esther finally bring defeat on Amalek! Through Esther's boldness (Est 8:17 B), pagans join Israel! All grafted in believers in G-d called to celebrate Purim. Through Esther the victory of Ex 17:15 is becoming a reality! YHWH Nissi! You will not see G-d's name mentioned in Esther but you will see G-d's banner! of victory!
