

## Zech 3:1-5:19. B.C. "Zechariah's Vision Of You"

We are a kingdom of "Joshua's". We see each other in chapter 3. I see myself in the Bible, as I really am. Joshua was a prototype of every sinner who becomes a priest.

verse 1 - Joshua a type of sinner who wishes to enter his inheritance as a priest, but we see Satan resisting Joshua. We were born to minister for him, to him, and through him. Before we were saved, Satan stood before the Lord to oppose our call & inheritance. Satan did not accuse us to God before we were saved. If he did accuse us before salvation, he would have been dividing his own house. He was not accusing us but he was "opposing us," from becoming priests.

verse 2 - God's rebukes the devil, not debates with him. We see the trinity (Two Lords). We are a kingdom of Joshua's. God dismissed the devil from his ministry of opposition. Joshua tells Satan that Joshua can stand before His throne, because of the cleansing Satan had to be dismissed from his ministry of opposition before Joshua could be cleaned and enter his rightful place. Joshua was a brand plucked out of the fire. (Hell fire). "This proves that the Bible does not teach a clean."

verse 3 - Before salvation Joshua was filthy & dirty in his sinners clothes, with hell fire ripping at his feet. (That was us). The Lord who chose Jerusalem is the one getting rid of Satan. Before all the angels Joshua ordered the filthy garments removed. This scene is being played out in eternity past. Joshua receives cleanliness & holiness & pure garments.

verse 4 - 2 Cor 5:21, Ezekiel 36, Joshua now stands forgiven, pure and cleaned, because the Lord has caused all Joshua's iniquity, to pass from him, in a day, in an instant. An instant change took place. "Change of Paint". New identity, new nature, new home, new destiny, new lord.

verse 5 - A clean turban is the mind of Joshua. Not only did we receive a total change of clothes, but he imparted to Joshua his mind. "The mind of Messiah". With his mind comes his clothes, with his clothes comes right standing & with right standing comes authority. Before salvation you had "dirty mind". After salvation you got imparted "his mind". Phil 2:5 (1 Cor 2:16). "We have the mind of the Messiah." The angels of God simply gazed at this awesome salvation.

verse 6 & 7 - An admonishment similar to Joshua's admonition to abide in the vine.

verse 8 - Heaven is a place filled with saved Joshua's. All the saved Joshua's in heaven, are a sign that God's Servant the Branch has accomplished the finished work ordained by God. All the angels gaze at this wondrous sight, "The Branch", As a Nazar. We are believe-priests because God promised to bring the Branch.

verse 9 - "Stone with 7 eyes. Isaiah 26. The rejected cornerstone is now set to lead Joshua. Joshua can trust in this stone for sight, guidance and help. The stone has seven eyes. Perfect sight into the spirit world. He is our guide through the spirit world, since we are the only ones, who can't see in the eternal spiritual battle.

verse-10 - The final result of this cleansing is millennial peace, a millennial contentment. God satisfies us totally & completely. All Kingdom Joshua's, will rule with the Lamb.
