Part of Deliberance!

V.13 - Cry of the repentant. Racial bigotry can only be removed by a healing outpouring from YHWH Himself. No political or social program can change it.

V.14 - Read Kal VaChomer note! Bigotry is an offense that must be removed from the camp by community action & discipline.

V.15 - Israel will never be free to move in the cloud or the anointing, until this evil is repented of, cleansed & put out of the camp. Only after cleansing & healing can the camp be whole & free to move!

Close - Israel was not free to spy out nor enter the land until it had learned their lesson in racial harmony, when YHWH does not see "mixed races" or "couples" but Israel echoes. Israel was now ready to search outward, because they had already finished the search inward! Paran - place of caes.

Until they were healed of all racial bigotry they remained outside Israel, in a place of caes!
