

# "Abel, Son of Adam Still Speaks"

Text: Hebrews 11:4

Abel offered the prescribed sacrifice, Cain offered a religious act of his own depraved wisdom. Abel offered a blood sacrifice of his flock (Lamb) with full faith in God's requirement and request. Cain's fruit & vegetable offering was void of faith because he refused instruction. Abel has been dead for almost 6,000 years, yet God clearly states Abel's sacrifice still speaks. Despite the fact that Abel was the world's first murder victim, by his gift he still speaks and testifies. In O.T., N.T., & current times he still speaks.

Speaks of His Sacrifice - Lamb's blood. "Forgiveness"

① God always forgave through the blood. The blood of Abel's Lamb mixed with faith, secured Abel's righteousness. Abel obtained an At report card from God. Abel's sacrifice speaks to every generation. It outlines and demonstrates to all "God-speakers" the road to God, & the way the Lord desires to be approached. Abel's *kipparah* is eternal.

*Speaker of "Conviction"*  
- Genesis 4:10 - The voice of Abel's blood speaks to God continually from the ground. v.11 - The ground swallowed Abel's blood. Abel's blood speaks to every generation, and Abel's blood was avenged on Lushug's generation, the one that saw & rejected the Messiah. (Matt 23:35 & 36).

Abel's blood still speaks to every unsaved sinner. God made Abel's blood a memorial to all generations & it speaks against humanity's hate, murder, malice, envy & jealousy. It condemns every unsaved sinner. Let it speak to you personally.

② Abel's blood speaks of the Messiah's blood Matt: 27:4 Messiah's blood was innocent blood as was Abel's. His blood was a foreshadow or type of Messiah's innocent blood. 2 Cor 5:21. A person can get saved by meditating on Abel's blood.

③ Abel's blood speaks of family conflict & its ungodly nature. (John 7:5). Abel's blood cries out that "his brother did it". Lushug's blood condemns his unbelieving brothers. It identifies Abel's murder.

v.14 Cain was an enemy of God & the ground. God cursed Cain. A curse was supposed to bring death. God's judgement fell upon Cain. Cain became a fugitive & a vagabond on the earth.  
Matt 27:25-

The curse came upon Israel, & for 2,000 yrs our people were vagabonds, & fugitives around the world. This is the diaspora, or galut.

Close- In the same way Abel's blood still speaks to God from the ground, Yeshua's blood is still wet & still speaks to God, from heaven.

If Abel's blood still speaks, Yeshua's blood must surely speak louder and eternally. 1 John 1:8 & 9. Yeshua's blood still cleanses daily, it must still be ~~wet~~ wet.

Yeshua's blood is literal. Yeshua took his literal blood into the tabernacle, made in heaven, into the literal Holy Of Holies, & placed it on the mercy seat. From there it still speaks, to still the Father's wrath, upon sin.

Hebrews 9:11-14. 1 Peter 1:18 & 19.
