

* 2 Keefa 3:15-16 Are You A Wrestler? Part One

"Most of the church world destroys their blessings by totally misinterpreting Paul's letters about Torah"

Davar HaShem warns us that there are those who will continually have great difficulty with the seemingly anti-Torah writings of Rav Shaul. Scripture tells us that: ① ^{Christians} Rav Shaul's writings are the most difficult to comprehend (especially to Torah observant Jews) ② his writings are designed to reveal lack of biblical learning and balance ③ his writings are designed by HaShem to reveal spiritual instability. ④ Failure to properly exegize his teachings results in spiritual destruction, for all believers!

The destruction results in believing one main myth! That Rav Shaul taught antinomianism to Ephraim^{ites} and a non Torah halakah to Jews. (Acts 21:20-24)

Was Rav Shaul teaching that believers were no longer obligated to Torah? Scripture that most believers as well as non-Jews wrestle with to their own destruction, as well as traditional Jews!

8) 1 Thess 2:14-15 - Unlearned say that Paul Shaul taught that Jews killed Yeshua. Truth is that it verse 14 talks about Judeans, ^{assembly} not Jews, so must the same word be translated Judeans in 14 C. 2/5.

9) Close - 7) Lastly entire book of Galatians. "Two frequent Pauline expressions "under the law" and "works of the law". Frequent references to these expressions. Converting to Judaism was wrong it was free judaizing and any man made burden to do all of Torah, by putting themselves under a man made burden.
