Isaiah 51:1-2 Building Our Nation

v1. Hewn - Strong's 2672+2673 Chatsab. Means to birth by carving out. The quarry is a type of rock hard religious systems of man, v.2 tells that Abraham is the rock. ^{in form of} ^{these} ~~Hebrew~~ rock is Strong's 6497 Tsur. Those who pursue righteousness by seeking Yahweh's ~~master~~ plan are commanded to gaze and intently study, the Tsur of our nation (which was Abraham). Abraham was chatsaved from ^{quarry of} the nations, in order to birth Israel. He was carved out of the quarry of the nations. Yahweh birthed this nation so that through the relo Haggaiim, that nation could renew or remold the hard ^{existing} quarry into Yahweh's image. His ultimate goal was for one nation to reconstitute all nations into the image of Yahweh's firstborn nation Israel. (Etol 4:22). Isaiah 51:2 commands us to look to Abraham + Sarah, not to Springfield, Mo, Shelard Tenn or Vatican City! These destined to rebui:tt Israel's divided kingdom, must d Abraham's ~~and~~ Sarah's works. John 8:39. ~~One reason Yahshua found opposition in Judah was because He had declared His mission, to bring Ephraim back. Abraham on the other hand looked forward to his seed, Ephraim becoming peak of the nation. Therefore we must build a nation not a denomination (29) and to say, How will Yahweh choose to use us, to restore 2 divided houses. Let's look to the original Tsur! #1 Gen 12:1-2 - Leave your old ^{worldly} country + comfort zone + separate yourself from all idolatrous influences. Preach 2 hours with glove (Is 1:2) until Yahweh increases you with -co-laborers. "Set out alone"! #2 After setting out trust that unlike other manmade religions, Yahweh has called you to see the Unseen and think the unthinkable. Be a visionary with one vision! Believe only what Abraham believed. Hab 11:9. Gen. 15:4-5, Gen. 17:4-6. Don't let your life become bogged down in side issues + side projects. One promise created Israel, and only one is needed to restore it! Lev. 27:38. #3 Gen. 15:2 + 6 Like the patriarchs determine that every soul saved is an Israelite + should be taught and disciple'd as one, by also looking to the Tsur. See your handiwork as the reuniting of the seed of Israel, rather than seeing + treating Ephraim as - Elizer, of Damascus! Undivided the~~
