

2 Peter 1:3 Sex Drugs & Rock & Roll -

"3 Satanic Performance Traps."

① Sex - A beautiful gift. Hebrews 13:4. Marriage bed is undefiled. Illicit sex outside of marriage, leads to both spiritual death and even physical sex. To be used only in a way approved by God. This is for our loving protection. Sampson is an example of a man who used sex to the destruction of his life, his relationship with God, & even his ministry. Do it God's way and live. Do it ~~another~~ another way and die.

Satan says that "everybody's doing it". (Lies). "You'll be worthwhile if or when". 2 Cor 6:14-7 God's instruction. "Be ye separate". Satan tells us that "Jesus is not enough". My significance & self worthy does not depend on doing rather being.

② Drugs - Satan tells us to medicate to feel good. "Jesus alone can't make me significant". As a child of God we don't care about others opinions. Bondage is brought about by placing significance in others opinions. We only need God's opinion. (Colossians 2:10). God gives you the everlasting joy & happiness, that intoxicates you from above. Drugs are a cheap imitation. Your friend's opinion's are worthless because they don't love you like Yeshua does. Ephes 1:4.

Peer Groups & peer pressure exercise opinions that are contrary to God's opinion. Peer groups exert the lie. God calls you completely provided & fulfilled.

2 Peter 1:3. God counters Satan's lies with truth.
Your Significance = Christ's performance + Christ's opinion.
Being saved makes you O.K.

③ Ezekiel 28:13 - Satan was in God's garden. Created as a beautiful being. Satan led worship by being gifted in music. Most music in the world is energized by Satan. His "I" problems affected his music. When you align yourself to worldly music you align and identify yourself with Satan's gifting before the fall. Now he uses that gift to prevent the human race. When you reject worldly music ~~you~~ you cut off one of Satan's main weapons to enslave humanity.

"We don't need rock & roll to feel good about ourselves. Heavenly music suffices."

Close - Accept the big truth & reject the big lie.
