

# Last Day Doctrine Of Demons

(1)

Text: 1 Timot 4:1-3

Hysterion - Slimiest, piggist most perverse of days.

In the days immediately preceding Yeshua's return demonic doctrines will prevail in and amongst the Kehilah.

Religion - Man's futile attempt to please a holy God. (Isaiah 64-66)

The Last Days will be characterized by <sup>a</sup>religious revival, not a Biblical revival.

v3 - Forbidding - Kuloolo - curtail, prohibit & punish those who marry.

Gameo - to marry. Forbid heterosexual weddings in the Kehilah.

This natural institution will be replaced by a proliferation of homosexually marriages in the professing Kehilah. Biblical marriages will be

subject to  
ridicule.

Refraining from heterosexual marriage will be sold as a spiritual attempt to be Messiahlike.

Why does the devil want to forbid gameo in the last days?

1. God created & ordained marriage as an institution. Anything ordained by God is a target for Satan's destruction and perversion.

2. To destroy the most beautiful portrait of commitment

between the Lord & His bride. Marriage portrays Yeshua's love commitment, faithfulness to his Kehilah. Marriages that are Biblically healthy are designed to preach the gospel. (Eph 5:31 & 32). Parents are a type of religion, marriage is a type of relationship.

3. Destruction of the local assembly - Satan knows that healthy

congregations are made up of primarily family units. Ten or more

family units make up an assembly. The more nuclear families you

have the greater the growth of the Kehilah. A healthy body

is raising up "five fold ministers" to evangelize the world.

What better way to destroy the Kehilah than to destroy nuclear families.

4. An abundance of Sensual Singlers - The local Kehilah cannot

survive if it is made up of primarily singlers. There is nothing

wrong with being single. Congregations made up of only singles, does not & cannot claim to be what God said it is: "the family of God". It is a destructive dart of the enemy to fill the ~~the~~ Kehalah with singles. Furthermore singles tend to be more sensual 1 Tim. 5:11-15.

Is there anything wrong with being single? No. Is there anything wrong with having a congregation full of singles? Yes. Singles tend to be more sensual, due to lack of a partner.

5) To stop the birth of Godly children Malachi 2:15. Healthy marriages are designed by God to raise up children who will call upon the name of the Lord. Satan wants to stop the nurture & admonition of the children. If all believers forego marriage, where would the next generation of believers come from?

6) To Introduce & Accelerate Alternate Lifestyles. - Lifestyles not approved, ordained & blessed by God are illegal & under a curse. There are no alternatives to a godly scriptural ~~re~~ heterosexual marriage. Alternate lifestyles are Satan's attempt to package sin in a sweet smelling. Most cults pervert & forbid marriage, & place their members in bondage.

7) To Introduce Vows Of Celibacy - Open parading of celibacy, usually is indicative to a secret life of perversion. Clergy who forego biblically ordained marriage tend to open themselves up for unclean spirits to help them get their sexual needs met. Our humanity does not stop just because religion tells us to take a religious vow.

Celibacy is a form of asceticism. Asceticism is wrong. Celibacy is a false flesh trip designed to puff up one's sense of religiosity.

Matt 19:11 - Most men cannot be celibate. Therefore we shouldn't try to be. Burning people are not called to singleness. 1 Corinth 7:9.

1/2 Clow-  
\*Colossians 2:23- False humility. Marriage abstention is false humility. Abstention & celibacy is of no value, rather it is detrimental.  
Matt 24:37. The flood came to destroy a world full of "alternate lifestyles".
