

2000 AD Began Halloween Lies Targeting God's History or Roots People

Children of God must not celebrate it or even acknowledge it.

Originally was a Celtic holiday called Samhain. Celebrated by Celts in ~~what~~ what is now, Great Britain, Ireland, and Northern France.

Their New Year celebration began Nov. 1. The night before was Samhain the Celtic feast celebrating the Lord of Death.

This celebration marked the beginning of the season of cold, darkness & decay. Because associated with human death. Celts believed that the God of death Samhain allowed the dead departed souls to return home for this evening.

Evening Oct 31 - The druids or priests, burned animals, crops, and humans or large pieces of oak, in a pagan festival. During this pagan celebration, druids participated with the people who would dress up in costumes with animal heads. During the celebration, they dabbled in the occult & told each other fortunes for the coming year.

Today Halloween is the day in which witchcraft is flaunted, and powers of darkness are acknowledged & celebrated. Satanists openly worship the devil. Houdini's followers go to his grave annually (Masparth, Queens) to sacrifice to his soul. Houdini promised to contact them on Halloween. But the Bible said that the dead don't communicate. The devil is more than happy to oblige them with voices.

Give example of N.Y. incident.

Halloween today is a licence to commit acts of illegality, which on any other day would result in arrest & jail time. Halloween is a time when one can smash windows, steal cars, slash tires, burn buildings with police impunity.

Satanism is the 6th largest religion in the U.S.A, with full state protection. The US army has a Satanic chaplain from the church of Satan in Calif. Police officials tell us that more children's corpses are discovered in the 2 weeks after Halloween, than the rest of the year combined.

Believers should not even Congregate on Halloween in congregations because we are not even to recognize or react to this day.

Not only should believers never trick or treat, but should abstain from even congregating. Congregating gives occasion through ignorance.

Example = 12 yr old who went into a coffin in an evangelical church for fun on a celebration on Oct 31. When he grew up at age 31, he walked on altar to get saved, & before that could take place, demonic manifestations manifest around the church & exorcism had to take place before salvation could. This was the direct result of his halloween encounter at a Bible believing church at age 12.

Exodus 22:18 - A witch must not live. God's solution to those who even mimic the powers of darkness. Death.

Deut 18:10-13 - We are to avoid all contact with Satanic powers. (Assisting N-Mar Wgt-Ment or any other stores, schools or churches that dabble & even portray this abomination.

Deut 12:31 - Child sacrifice is abominable. Halloween is a continuation of this abomination.

* Our attitude that pleases God - 2 Cor. 6:14-18. Trick or treating can often does bind us to unclean spirits. They may lay dormant & manifest themselves years later. Separation is a prerequisite to intimacy. 2 Tim. 2:19.

* "Astinance" is the way.

Deut 6:2 - Obeying leads to long life.

Close - Reject Halloween & all substitutes like Hallelujah night. Any other night have a hallelujah party. Not Oct. 31 1 Chronicles 10:13 - Isaiah 8:19
Disobeying leads to death.

Innocence and lack of true knowledge can be dangerous.

1 Cor. 6:9 & 10.
