

I Can't Seem To Find The Church! Can You? ①

Matt: 16:15-18.

Yahshua said: I will build my ekklesia! ek means out of kakeho means called. Together they mean "called out ones". Thanks to the apostate practices of early church fathers, the concept of being called out has totally lost its meaning. In place of a called out assembly early Ephraimites adopted a pagan concept called kirche. Kirche literally means "circle of agreement," as they called upon demonic forces. Thus kirche and ekklesia have nothing to do with each other! What did the kirche bring forth? - the Dark ages, blindness to the Word, papal corruption, forced conversions and baptisms, pagan liturgy & doctrine. The word kirche is even used by Satanists for their kirche. It is a false group of religious divorcees! These unregenerate religionists replaced the Hebraic roots of the gospel with their own group called kirche! They separated from Israel!

The Hebrew equivalent of ekklesia is migra. Migra and ekklesia are exact equivalents. Therefore when Yahshua states that He will build His migra He is unequivocally stating that He will rebuild the migra of Israel, against which hell will have no power! The Israel that the pharisees and Saducees had set up was illegal and easily overcome by hell! They were overcome by their own false traditions.

Who were the people that Yahshua would fill this migra with. They had to be filled with the same people that made up the First Covenant migra. Israelites became the migra when they were called out of Egypt & called out of the nations by Yhwh. Furthermore they were called out to celebrate Yhwh's feasts. Exodus 5:1. In Matt 16:15-18 Yahshua is calling that same redeemed Israel to feast on Him. Only Israel (Matt: 15:24), is referred to as a ekklesia or migra in all of scripture. Acts 7:38 refers to the Israelites as the ekklesia at Mt. Sinai in the wilderness. Furthermore in the Septuagint the word ekklesia is used for the "assembly or congregation". The ones Yahshua calls out will celebrate migra kodeshes or holy convocations not

pagan circles, holidays or false Sabbath's. True Israel has many identifying marks.

The migra/ekklesia of Yahshua does make hell tremble as it calls out lost Israel from sin to salvation, death to life, paganism to true monotheism and from spiritual famine to Yhwh's feasts. Not only have the gates of hell prevailed against the institutionalized Kirche it has literally owned it!

Close - Since the Kirche was never born it cannot be ~~found~~ found. Acts 2 describes

Jews and proselytes gathered for Shavuot in "the house". v. 2. Bayit Hagadol. After all where ^{else} would Jews be gathered on Shavuot. v. 41. tells us that 3,000 Israelites were added to the ekklesia. How could 3,000 fit into the small upper room of the last

supper? No! v. 46 tells you where the preceding 45 verses take place. Acts 2, does not describe the birth of a separate entity called "the church", rather we see the formation ~~of~~ of New Covenant Messianic Israel!, not the birth of a church!
