

Preface -

Historic Time OF Liberty!

Acts: 3:21 - Yeshua will not return until all scriptural truths have been restored. There is no evidence either, historical or biblical, that Shmitta Ha'lovel was ever observed once Israel entered the Land in around 1450 B.C. In other words - it has been almost 3,500 years since Torah was first given and despite the Year of Jubilee being Jewish Law, it was never obeyed.

Reason for failure to observe - Man's hate, malice & greed refused to enact G-d's grace that would have wiped slates clean, returned property, ended slave relationships & given new beginnings and new life to fellow humans. Failure to grant the grace & liberty of Torah. It is because of man's refusal to enact G-d's grace, that Yeshua came to do it himself. He was our Jubilee.

Historic Time Of Liberty

May

From 1948 to 1998 is 50 years. 1998 the Land and the people of the Land are commanded to celebrate The Year of Jubilee. In John 8:32 and 8:36 Yeshua refers to Himself His truth His atonement for sin as the final & everlasting Jubilee. In Leviticus 25:9 Shenat Ha'atovel is directly linked to the Day of Atonement. Only those ^{greater} in Yisrael who experience personally the atonement of the Lord can enter into the freedom of Shenat Ha'atovel. Same today. Only those who know Yeshua's blood atonement as their own kepparah can enter into the celebration. Entrance into Shenat Ha'atovel was & is conditional.

Shenat Ha'atovel is a time of liberty to all the inhabitants of G-d's Kingdom. Yeshua's ministry to His people is to proclaim Jubilee Isaiah 61:2 & v. 13. Enjoy the fruits of kingdom living. A time of 7000 reward. This is the year of reward to Hashem's children for faithful faith filled living. "Eat & enjoy the reward".
