

Lev. 10:1

Holy Fire & Strange Fire

Personal Ambition-

Strange - Not willing to seek to abide in one's own call. The open usurping of another's call & ministry. Even though Nadab & Abihu were legitimate priests, they bypassed Aaron's leadership. Instead of waiting their turn or own assignment after Aaron's death, they attempted to walk in the High Priests office, before they had authority.

1 Cor 3: Holy Fire - Paul built on His instructions. He did not build or minister on top of someone else's ministry. He honored or sanctified Yahweh by building only where others had not!

Holy Fire saves and sanctifies onto reward! Second Cor. 10: 12-18. Fulfilling your own assignment is Holy Fire.

Choosing ^{our} ~~Strong~~ Sacrifice -

Strange - Putting strange incense not according to instruction. Nadab & Abihu got the incense from themselves not from the altar of incense. This happens in our lives when we offer to give things up or sacrifice or die daily in areas where he did not ask us to offer sacrifice. This self-righteous deeds are not from the altar but from strange thoughts.

Holy - Dying in areas Yahweh has asked us to die in. Not choosing what we want to give up. Asking him what we need to sacrifice for Him. Then the incense will be sweet & straight from the altar. Act 5 - Ananias & Saphira offered property but lied & didn't do it wholeheartedly. This was strange fire that would up consuming them.

Lev. 10:6-

Drunkness Condition OF The Heart - Lev 10:9-

Worthiness - Strange Fire - Showing up before Him or living before Him intoxicated

Go together! or drunken by substance. Yehoh killed Nadab & Abiyahu for treating & handling the things of Yehoh while intoxicated.

We find this strange fire being offered also in 1 Corinth 11:21 - Believers serving Yehoh drunk. v. 29-30. Consuming fires of death upon those who intoxicate in His presence.

Holy Fire - 1 Thess 5:18, being filled with the Ruach. Daily infilling is Holy Fire. v. 19 - Holy Fire can be offered daily, with psalms, hymns & spiritual melodies. Any biblical feast or celebration is an offering of Holy Fire. Acts 2. He will not allow the substance abuser to praise him forever!

Divine Order - Lev 10:7-

Strange Fire - 2 Priests acting as High Priest. Only one high priest allowed into Holy Place Daily. When Divine gov't is out of order, where for example everyone wants to be a rabbi or everyone wants to function in one administration, breakdown takes place. Assembly breakdown is strange fire. Never take others or appoint others to do your job.

Holy Fire - 1 Cor. 12:4-11.

Close - Holiest of All Fires - Gift of receiving love & acceptance & giving out love & acceptance. 1 Cor 13:13. 3 eternal types of Holy Fire - Faith, hope & love!
