

Rev. 22:12-13

How to Easily Detect A

Cult - & Save Your Soul! Part One

① This may be the most important message you've ever heard.

① All cults have one thing in common. A blatant denial of Messiah Yeshua's deity. Do not believe He is the eternal Almighty. John 10:30, John 14:9, John 8:58, Rev. 22:12-13, Isaiah 9:6, Prov. 30:4, 1 Cor 12:3, John 8:24 Denial of Deity

② Cults deny virgin birth, thus a humanizing Yeshua into just a good teacher, or righteous teacher. Matt. 1:23-25, Luke 1:34-37. Isaiah 7:14, Jerem. 31:22, virgin birth related to N.T. New Birth. Denial of Sonship.

③ Does not want "Gentiles" to attend. Requires sameness as opposed to oneness. Refuses to teach the equality of all. Performs mass conversions to achieve this false oneness. 1 Cor. 7:18-24. 1 Cor. 12:27. You don't lose your individuality.

④ ^{part} Claims that tithing is only to them. Presents themselves as a Levite, so that they can receive tithes. Claims that all others who receive tithes are illegal. Paul was not a Levite, neither was Timothy, yet both received tithes. 1 Cor. 16:1-2.

⑤ Selects a single specific scapegoat for all of humanity's problems. I.E. The Christians, the Jews, the Slavs, the gov't, the Muslims. Puts all of life's woes on the existence of this scapegoat. Ezekiel 18:20, 30. Yehovah does not wear collective guilt, but individual judgement.

⑥ The cult teaches that books and other teachings or rabbinical writings, are necessary to understand scripture. Holds other resources or materials equal or above Yehovah's word. Makes Yehovah a disciple of the rabbi. Every cult does this. Matt. 15:1-9. A cult v.g. always

teacher man's writings as equal to Yahweh's word. Resurrection cannot stand alone or can be compared with scripture.

⑦ A cult questions the legitimacy of inspiration. Specifically the N.T. & Paul's writings. The claim is most often that it has been tampered with, changed, mutated, re-written & so forth. This is a telltale sign of a cult. Gen. 3:1-4 Questioning inspiration led to death. John 6:63 His Yahweh's N.T. words are life. 2 Tim. 3:8-9, 13, 14-16
2 Peter 3:16. Peter calls Paul's writing scripture. Most Jewish cults never teach Paul & worse teach that Paul's writing are not scripture.

⑧ 2 Peter 1:20 Specializes in private interpretations. (Cults, instructions).
Close - 1 John 2:18, 19, 1 John 2:22-23. Calling Yahshua Mahiash B. Yusuf, & denying His only begotten Son-ship to Yahweh is sign of heresy.
1 John 2:24-26. Denying the Messiah as divine Son, means a forfeit (v. 20) of eternal life.
1 John 5:9-12.
