## Mephiboseeth's Invitation

①

\* Ch. 9 - Is great typology of Yeshua's ministry. All of O.T. types, portraits & shadows point to & speak of Yeshua.

v.2 - David & Jonathan were spiritual brothers & lovers. Jonathan was killed. David sought to show love & mercy to the House of Saul.

David - type of Yeshua. House of Saul - type of House of Israel. ~~God~~ God reaching out to the Israelite people through kindness & mercy. Jonathan - type of Abraham. Because of the eternal unconditional Abrahamic covenant, God seeks to show love to his people despite the rebellion & ungodly behavior of Saul's house (Israel) & their rejection of David (Yeshua).

v.3 - Only one left alive from Saul's house. Only a remnant of Israel is still ~~alive~~ alive & open to the things of the Spirit.

v.4 - Where is he? A type of the seeking Savior! Only a cripple is left in the nation of Israel. All others of Saul's house have died physically & spiritually. This remnant is crippled & barely alive in a city called Lo-Debar. Lo-Debar - means not talking or communicating with God. This remnant is totally lost & lame. Spiritually lame & lost.

Universality of Sin - Lame before God. Can't talk or walk with God.

v.4 \* Ziba - a type of the Ruach HaKodesh. He brings Mephiboseeth the cripple to the King. v.6 Mephiboseeth reports and humbles himself before the King!

He displays Biblical repentance from a spirit of contriteness. He cries for help and mercy. All of God's children were at one time Mephiboseeth's.

\* Mephiboseeth - means one who distributes & dispells shame. Believers use it to be dispellers of shame & proud of their shameful acts.

v.7 - The King promises to restore Mephiboseeth fully for Abraham's sake. He will restore Mephiboseeth to spiritual & physical health as well as restoring the House of Saul <sup>all</sup> ~~Israel~~ to the land of Israel.

Once invited & redeemed we like Mephiboseeth, are invited to eat

and celebrate at the Lord's Table, continually. Only Yah's adopted children forgiven and repentant, will eat the King's bread continually at His table.

v8. Even though his grand father Saul was a devil & Mephiboseth was a child of the devil, God broke all generational curses through the invitation of Mephiboseth. John 6:44. - David (Yahshua draws men) He specializes in dead dogs.

v9. All the blessings of The House of Israel & the Abrahamic covenant, was freely given to Mephiboseth because of His humility (v8), and trust in the merciful king, receives all the blessings of divine sonship & relationship with the King. Born again believers sit continually at the King's table to eat.

v10. All the king's servants were to wait on Mephiboseth, by serving him & providing for him, since Mephiboseth was never to leave the King's table. <sup>same applied for Zibah's sons</sup>

v11. Zibah's Sons - were types of angels, assigned to provide for the King's kids. The angels are called to bring in the harvest! (v11) - King's sons (Hab. 1:14)

v11 & 12 - This ministry to King's Kids is continually forever. Angels wait on us. Yeshua invites us to never get up from the King's table!

v. 13 - As an heir of Yeshua we have been permanently moved from Co-Dabar to Jerusalem, from a lost position to sonship at & in the city of peace with ~~God~~ (Rom 5:1).

Clax - Mephiboseth honored the King & his <sup>saving</sup> love, by naming his son Mica. Mica - means who is like thee? (O King).
