

1. Corinth 2:4 One Message - Abundant Power

The Gospel blows up & destroys all enemy opposition & in house bondage. Power-Dynamis - mentioned 66 times in Bible. There are 66 books of the Bible. One stick of dynamite for each book. Psalm 107:20. In the word is healing, power, change & deliverance. All these benefits contained in the word. There is no hope, gospel, salvation or miracles without dynamite. Dynamis is the violence of God. Those who would be saved, violently pass in and seize the kingdom by force. Yeshus came to blow up the domain and territory of the devil, by violently seizing it back. A powerful & violent message of the Lord.

* Dynamis always affects the status quo - It blows up the status quo and then ushers in change. The gospel always does violence to the status quo.

The Dynamis of the gospel is the key to the gospel, along with the word of the gospel. Without dynamis it is a dead message. The gospel without dynamis is just another message or religion. Other messages may change the status quo temporarily, but only the gospel message has self contained divine dynamite, and changes the status quo eternally & forever.

Any group or religion that denies the power of God (Yeshus heals, delivers & sets the captive free with signs, wonders & miracles) must be forsaken.

The dynamis & the spoken word, are inseparable. Both the power & the word must be present to authenticate & verify the truth of the gospel message. ① ~~The~~ The word must be preached ② The word must be demonstrated. 1 Thess 5:1-5. The true gospel has changed, is changing & will change you yet. The more it is preached the more is violently removed by the ~~message~~ gospel message.

1. Corinth 2:4 - When the word is preached the power persuades not fine speeches.

Anyone that teaches that miracles have ceased, wonders are

not Biblical, or God's power cannot be manifested, or these are just emotional experiences. If we can't demonstrate the gospel, our gospel is different than Paul's. If Paul in turn couldn't demonstrate the word, like Yeshua, he wouldn't have been authentic, either.
 Romans 14:17 - The Kingdom of God is all about demonstration or violent change, ~~its~~ it's not about drinking, eating, If miracles ceased, how can I be born again? Regeneration through power is ~~proof~~ ^{proof} of God's ~~dynamic~~ ^{dynamic} love, on our behalf.

Results of Power: (Qualifications For Authenticity)

① Salvation - To open eyes. Saved us & they filled us. - 2 Cor 5:2

John 14:23 - God's Spirit will live within the child of God.
 He washed, guided & your physical body. I am having temple of God. This power comes from dynamis. God had to violate darkness. Salvation is a demonstration out of God's power. God's dynamis brings repentance, confession, our holiness etc. 1 Cor 1:2. Sinners become saints. Blindness to sight.

② One Road - Deafness to hearing. Power to declare Yeshua as the only way (John 14:6). Boldness.

1 Tim 2:5. Only one bridge. All other bridges are blown away.

③ Mockers became preclaimers. 1 Cor 2:4. We now caruso. This means we speak on behalf a king. We used to march God's ~~sp~~ here used for the devil. We have been turned around. We who fought this will now do it.

④ Enemies became God's friends. Romans 5:6-8. 1 John 3:1 & 2.

⑤ This message taught us how to die to self. Matt 11:38 & 39.
 This same message has instructed us how to be God's man, not our own man.

⑥ Self Sufficiency becomes Dependency. John 15:5.

2

God tore up our citizenship & gave us a new certificate of permanent residency. (Heaven). We have become citizens of heaven & pilgrims in the world. We used to be citizens of earth, with no access to God. God's Bible is our new citizenship papers. Philip. 3:20.

No physical operation can give mankind a new mind, a new heart. Even a transplant only places another wicked sin cursed organ in place of the old one. Dynamis gives us divine impartation.

Acts 10:38

2 Timothy 3:5- One Message - Abundant Power Part 3

Dynamis - Always explodes the status quo. Dynamis explodes to bring about & to clear a way for the manifestation of God's glory.

2 Timothy 3:5 - When the Word is preached & there is no power or change, it is not authentic. Some speak the gospel others speak it with a while demonstrating it. (Hebrew 13:8.)

- ③ Given us a birth that knows no end. The only thing that can end birth is death. We will never die therefore our spiritual rebirth knows no end.
- ④ Sealed us with the Ruach. Ephes 1:13. The dynamis of this message seals us so that he is our defense & we cannot be moved. We are sealed with divine ownership. No demons or powers of hell, can break that seal.
- ⑤ Imparted Peace to Us - Isaiah 9:6, Eph 2:14. Nations & individuals, desperately seek peace. None is available without Yeshua & His dynamis. Psalm 34:19. Isaiah 26:3, John 16:33. Dynamis to destroy ~~an~~ anxiety & worry. Philip 6:7 Yeshua didn't come to remove the ~~fiery~~ fiery furnace, but to protect you in it. (Psalm 116:165).
- ⑥ Total Carte Blanche in our prayer life to receive anything

from God, that God deems necessary according to His will.

The "infilling" (Acts 5:1-8) commonly called the baptism in the Spirit. Acts 10:44, Acts 19:1-6, Acts 2:38 & 39. This dynamis enables ^{us} to speak foreign languages. This dynamis also gives us an intercessory prayer life.
