## Ezekiel 28:13-14 Satan Is Looking For Your Head!! (Mind!!) ①

Satan used to be Lucifer. Lucifer was a being who beamed and reflected G-d's holy light by the covering he wore. Cover that he wore was a sign and a declaration to Hades's universe, that he was submitted to Hades's full universal authority. In his "pre-ebenic state" he wore a covering to sanctify himself totally. (v.13). The Hebrew word for covering here is: MeSukkah which means to fence himself in from all others in order to be joined totally to G-d. MeSukkah is similar to the root word Sukkah - to dwell with.

In verse 14, we see that in addition to worship, Lucifer's main ministry was making sure all the other holy angels were covered with precious stones, a type of Messiah! Once Lucifer fell due to pride (v.17), G-d removed his anointed cherub status by destroying the covering that Lucifer

in unilateral rebellion had first removed himself. His baldness is a sign that his covering ministry has been destroyed & given instead to Messiah who covers our head with His blood. To this day, holy angels cover their head, Isaiah 62.

Genesis 38:14 - Tamar removed her head covering to expose her lustful plans.

Jerem. 14:3-4 - Head coverings are a sign of contriteness & repentance & holiness.

Every head covering is a reminder of the clothing of divine salvation (Gen 3:24).

In Zechariah 3:5 we see the High priest of the Lord drawing the attention of Angels as he is fitted with a clean head covering! (Also the Angel). Any

time we wear or put on a head covering we initiate a flurry of angelic activity. Satan is bald, stripped & nakedly crawling & eating the earth's dust. He is G-d's original bride gone bald. That is why Hades made women with long hair to be his potential new bride. The public display of that hair <sup>without a veil</sup> was ungodly behavior. (Isiah 3:17, Num 5:18).

I Corith 11:1-2, Pau Shaul orders us to keep Jewish traditions, even as he does when following halachah in Teshuvah. Satan has made sure that most Bnai Kshua do not understand this head covering principle!

Rav Shaul reminds us that in public assembly the strictest attention must be paid to divine gov't. In verse 3 he reiterates divine order, In verse 4 he commands men not to wear <sup>down</sup>aveil. The greek word for covered is kata - which here means downward covering. Men can therefore wear a head covering but not a downward covering!

In v.5 Rav Shaul states that any public act of prayer or worship must be done with a woman veiled in order to display submission to 3 levels of divine gov't, ① G-d ② Husband ③ Rabbi or congregational authority. If she is not veiled, she is behaving like a spiritual hobo. The head covering is an open declaration that she is under this 3 fold authority, therefore having full divine approval to minister in G-d's house!!

Close - 1 Corint. 11:10 - There are unclean Satanic angels looking for women who are not willing to submit to divine gov't for love, nurture & protection. Perhaps out of ignorance! When unclean angels see a woman unveiled it initiates angelic activity designed to trip her and lead her into sin & rebellion. The ultimate danger to an unveiled woman participating in public worship without this symbol of divine authority, is found in Genesis 6:1-7! Believing women by wearing a hair veil not a full face veil, tell Satan, I am not available to you to be used by you for your nefarious schemes! 1 Tim 2:19.

⊛ Hair is a thin veil of symbolic authority, for <sup>godly</sup>women who don't wear a veil (v.15), but it does not send unclean messengers the message of submission to divine gov't, since even ungodly women have the thin veil of hair. Long hair is for the husband & the Lord.

1 Peter 1:12 - Ephes. 3:10.
