

Thursday July 10th Brief State of the BYSW

- Over 87 congregations and related outreach ministries
- Tremendous growth with new congregations in Australia and New Zealand (5). The appointment of Rabbi Samuel Thompson as director of Australia operations.
- The establishment of the Nazarene Israelite True Name Network for the community to keeping contact. We see this as a way for BYSW to maintain contact with individuals and lay people, since our original organizational setup is based on leaders and their local ministries.
- Maintains an active BYSW outreach in Havana Cuba with over 20 believers in an underground home group
- 14 growing congregations in Nigeria that are learning their Hebraic roots
- BYSW maintains 2 groups in Europe upholding the truth as the only Nazarene Yisraelite witness there. One in Monaco and one in Zurich Switzerland
- The completion of the first synagogue of any kind in Pakistan
- An active evangelistic outreach to the Muslim world
- A new vibrant work in Lumberton North Carolina and the launching of Ahava to the Nations with Rabbi Massingale
- The adding of many BYSW affiliates on radio to the YATI Radio Network
- BYSW has become the first Nazarene Yisraelite or messianic organization to recognize the various marriage alternatives available to the Torah honoring Israelite including monogamy and plural marriage.
- Has established the first and only known Hebrew Day School lifting up the key issues of our faith such as whole wheat unleavened bread and the true names and 2 houses.
- The assignment of the annual congress responsibilities and set up to BYS of Prosperity South Carolina who have done a masterful and well thought out job.
