

## **We the People Keynote Address BYSW 4<sup>th</sup> Annual Congress**

**July 6, 2009**

**Sholiach Moshe Yoseph Koniuchowsky**

**WE THE PEOPLE-** The ones YHWH will use. Points to note: Last year, we became the first known major public Nazarene Yisraelite, or messianic ministry to welcome hurting and rejected plural marriage families in our midst. From that point on all hell broke loose. Many people especially leaders who had been with us, or others who thought they were leaders, set out on a campaign of destruction and murder like Paul before his conversion. That incident among many others in my years of ministry has resulted in YHWH showing me several things.

- **When YHWH brings a fresh revelation, usually He bypasses established leaders who cannot, or are not willing to receive anything fresh that would shake their kingdom. He goes to WE THE PEOPLE.**
- **That many raise themselves against YHWH by suddenly becoming leaders, to stop what they perceive to be false teaching.**
- **That when sheep go astray they need a shepherd, but when leaders go astray, they need to be bypassed, or ignored by YHWH and sincere men, if they are not willing to move with the glory cloud of insight, understanding and revelation.**
- **Historically revival bypassed major religious institutions and leaders, like in the case of the Welsh revival and the London Spurgeon Tabernacle, where revival totally bypassed the Church of England and spread among the common people. Here in the states the same thing happened with the ministries of Finney, Moody, Edwards and others. And most important perhaps in the ministries of Rav Saul and Yahshua, we the same PATTERN. YHWH bypasses leaders and deals with WE THE PEOPLE.**
- **The established historical precedent is this-Anything important that YHWH needs to bring for Himself in revelation or restoration, He will usually bypass the entrenched leadership closed to the newness of change and begin to deal with the common people who will hear these things clearly and gladly, as they are humble and teachable, with no self built empire or reputation to lose. Let's take a look at a few Scriptures to see this modus operandi of our heavenly Father. As we look, it's important to note that in past years we invited only BYSW leaders. Many of those leaders chose to no longer walk with us, as either they refused to see these things, or they saw it and agreed, but were intimidated by it, or preferred to hide from us, as the remaining 11 hid from Yahshua in His severest trial, as it was not good for their reputation to be associated with me and BYSW; we had become vicious targets of lies, half truths, speculation and innuendo, along with being the victims of false witness. Should we be surprised that just one year after some major revelations and fresh renewals of our Hebraic lifestyle, that this room today, is void of many key leaders of**

**the past? Even some of our teachers at this year's Congress, are not long time leaders, but just common folks, who will be sharing marvelous things in the Ruach, because they have received what YHWH has shown them GLADLY.**

**Luke 8:40-40** And it came to pass, that, when יהושע returned, **the people gladly received Him:** for they were all waiting for Him. **WE THE PEOPLE.**

Acts 2:41-42 41 Then they that gladly received his word were immersed: and the same day there were added to them about three thousand beings.  
42 And they continued steadfastly in the shlichim's Torah and chavurah, and in breaking of lechem, and in the tefillot. **WE THE PEOPLE.**

Matthew 4:25 And there followed Him **great multitudes of people** (not leaders, who were too busy sitting in judgment of His works) from Galil, and from Dekapolis, and from Yahrushalayim, and from Yahudah, and from beyond the Yarden River. **WE THE PEOPLE.**

Matthew 8:1, Matthew 9

32 As they went out, see, they brought to Him a dumb man possessed by s.a.tan.  
33 And when the s.a.tan was cast out, the dumb spoke: and **the multitudes marveled, saying, It was never so seen in Yisrael.**  
34 **But the Prushim said, He casts out shedim through the prince of the shedim.**  
35 And יהושע went about all the cities and villages, teaching in their synagogues, and **proclaiming the Besorah of the malchut, and healing every sickness and every disease among the people. WE THE PEOPLE.**

The leaders called something new previously unseen, or not understood DEMONIC. Today there are those who leave feel that some fresh understanding is true, but not essential. If it's not essential, why does YHWH bother sharing certain restoration things? That's why it's all about **WE THE PEOPLE.**

Matt. chapter 19 Yahshua was healing **the PEOPLE** and along come the leaders **changing the subject and trying to shift glory away from his POWER and REVELATION** and get Yahshua sidetracked into a Torah discussion on marriage and divorce. **They tried to take over from Him. And what He was doing. Sound familiar?**

Matthew 21:8-9, verse 16-read. The leaders were steaming mad that the children and the people hailed His life giving manna and left the leaders. If we as individuals want true fresh manna on an ongoing basis, we have to leave the leaders who refuse His revelations and who do not want wish to move with the cloud of glory and fresh revelation. **They will leave you anyway, if you desire to follow YHWH fully, in areas where they are not willing to go.** Yahshua is looking for **we the people** of all ages, who will, sing and proclaim His glory and not question things every nano second.

Who arrested Yahshua? The leaders and their cohorts the Temple guards. Who received Him gladly? **WE THE PEOPLE.**

Close- Mark 2:13-14 If you stay plugged in and teachable for the next 3 days Yahshua will teach you many things HIMSELF!, It may be anti social doctrine, but it is part of the eternal walk of our ancestors!

**Luke 14 25-35- As you sit here for the next 3 days, you need to continually count the cost of the things Yahshua will show WE THE PEOPLE.** For those of us leaders who are survivors, we have paid a great and high price in lost congregations, friends, family, relationships, support, reputation, respect and many other such heartaches. We have borne this religious heat for you, so that you can all receive the things taught by YHWH, that many of our associates could not walk and or support. **They counted the cost and determined that to be anti-social and to be associated with the truth of what Yahshua was doing in the last of the last days, was too high a price to pay in order to follow.**

**Now YHWH turns to we the people and says; Now you, you also count the cost! It's your turn. Know this-S.a.tan desires to sift you as wheat, if you choose my true prophets and obey Me in ALL Hebraic restoration truths. Now are you sure you really want to follow the things I have entrusted to my apostles and prophets? Many who already said yes, are grieved that they have obeyed, as the cost has been too high. Now I turn to YOU THE PEOPLE. It is time for your decision!**
