Objections and Answers To The Dangerous Ante-Nicean Doctrine of A Dual Nature Messiah/Christ

Read, study, seek, find. This is crucial that you and I adjust some wrong things that we have been taught. Are you ready?

By YHWH's Apostle Moshe Yoseph Koniuchowsky

Objection #1-Yahshua has to be human, or have a human element as it says in Timtheous Alef/First Timothy 2:5.

For *there is* one YHWH, and one mediator between YHWH and men, **the man Yahshua HaMoshiach.**

Answer-The Man here is elaborated upon in 1 Corinthians 15:47, where the second MAN is called MAR YAH from heaven, not from dirt. Thus we cannot isolate the Timothy reference without adopting the full counsel of YHWH; that HIS FLESH, BLOOD AND SPIRIT, all were heavenly in origin; a different kind of man!

Objection #2-First Corinthians 15:47 calls Yahshua the second man. Then how can He not be a man?

Answer-As seen below many stop reading at the word "man." They think they have proven their point. Now read the rest of verse 47.

Corintyah Alef/1 Corinthians 15:

45 And so it is written, The first man Ahdahm was made a living being; the last Ahdahm was made a chayim giving Ruach.

46 But the spiritual Ahdahm was not first, but the natural Ahdahm; and afterwards the spiritual One.

47 The first man is of the earth, earthy: the second Man [and His flesh] is the Master YHWH from the shamayim.

The second MAN is MAR YAH! YHWH! So YHWH's Word became cloaked, or dressed with humanity, but not of any human dust origin from either Mary, or Joseph's side. His origin, BODY, BLOOD AND SPIRIT were all originated and prepared in heaven, for conception and gestation in Miriam's womb. More on this later.

48 As is the earthy, so also are those that are earthy: and as is the heavenly, so also are those that are heavenly.

49 And as we have borne the image of the earthy one, we shall also bear the image of the heavenly One.

Note-Yahshua came in the image of Abba YHWH, not like us, who remain in the image of Adam, just like Seth.

Objection # 3-If Yahshua was not human, or both YHWH and man, why the elaborate listing of the genealogies in Matthew and Luke?

Answer-Very simply because YHWH prepared a body for Yahshua as seen in Ivrin/Hebrews 10:5 and Tehillim/Psalms 40:6-7.

In order to VISIT the human race and become the WORD MADE FLESH, YHWH chose the family and lineage of David, or the House of David, to make His visitation. It is similar to you choosing with whom, or with what family you desire to visit during your vacation. In order to be LIKE a human and appear FASHIONED LIKE a man, without actually being of dust origin, He had to choose the family THROUGH whom He would visit. Therefore, the detailed genealogies are there to show us exactly which family was used for

the incarnation of the Word of YHWH. Just like us, when we visit our friends, we don't actually become our friends. The genealogies are there to show the chosen status of the people of Israel, the royal House of David and the tribe of Judah, as the lineage through which He visited, lest any, like the modern day Palestinians, can claim He was a Palestinian, or like the Muslims, who claim He was a Muslim allegedly like the first Adam!

Objection # 3-Hebrews/Ivrim 7:14 states the Yahshua came from the tribe of Judah. So how can he come from Judah and not be a human?

Answer-Same as above. Not only did YHWH pick the family, He also picked the tribe in which He would appear. Moreover, look closely at this verse:

14 For it is evident that our Master sprang out of Yahudah; of which tribe Moshe said nothing concerning the priesthood.

Notice that Yahshua is called the Master YHWH who came from the tribe of Judah. No mention of human, or dusty origin or components to His flesh. Also the term SPRANG meaning inserted into Judah's tribe from heaven. The bread from heaven.

Objection # 4- Ivrim 2:16-17 states that Yahshua took on the nature of man. So he had to be partly man. Correct?

16 For truly He took not on Himself the nature of heavenly malachim; but He took on Himself the offspring of Avraham.

Notice again, that the text does not claim that Yahshua had human nature at all! Only that His nature was not like angels, or humans and that nature was thus fully divine!

17 So in every way it behooved Him to be made like His Yisraelite brothers,

Again we see that He was not a human Yisraelite, but was fashioned, or appeared LIKE His Yisraelite brothers.

Objection # 5-Scripture is clear that Yahshua is our Kohen Gadol, or High Priest. How can He be our High Priest if He is not at least partially human? Doesn't that prove He was at least partially human? As an example we see: Hebrews/Ivrim 2:17 "so that He might be full of rachamim as a faithful Kohen Gadol in things pertaining to YHWH, to make keporah for the sins of the people."

Answer-Just the opposite is true. The Book of Hebrews tells us that Yahshua, UNLIKE THE HUMAN HIGH PRIESTS' before Him, ministers in a place where no form, or part of HUMANITY CAN ENTER! In heaven itself! Thus if YHWH the Father allows Yahshua the Son to minister as High Priest in heaven, in the Tabernacle not pitched with man's hands, then by definition, ipso facto, Yahshua cannot contain any elements of dusty humanity and must not be of any of the same substance as the other high priests of Israel.

The very fact the He is allowed into the heavens to conduct His ministry, should tell anyone of an open mind that He was untainted by this world and that He was totally different than the first covenant high priests in the Torah, or other priests in the order of Malki-Tzedek, who all performed their priestly duties on earth alone.

Remember that only one in the history of the world was and is allowed to minister and remain in heaven and that is Yahshua the "man" WHO IS FULLY MAR-YAH from heaven. He ministers in His

own home, as heaven was both His origin and point of return. No human can claim that. How many "human" high priests ministered in heaven? None! Any trace of humanity would have disqualified them.

Objection # 5-The Scriptures like Hebrews/Ivrim 4:15 claim that **Yahshua was tempted in all points as we are yet without sin**. How could He be tempted, if He wasn't a man, or at least partly human? That doesn't make sense.

15 For we have not a Kohen HaGadol who cannot be touched with the feeling of our weaknesses; **but He was in all points tried like we are, yet He was without sin.**

Answer-The better understanding is that Yahshua was not tempted, but TRIED, or suffered, in many ways as we do ourselves. But let us allow for the fact, that He was tempted, as many allegedly claim. So how can this be, if He was not at least partially human? Very simple!

The devil, or s.a.tan approached Him like he approaches us, IN ALL WAYS AND IN ALL MANNERS AND IN ALL METHODS. The devil came against Yahshua as He does against us. That's what this verse and others in Matthew and Luke refer to. Every temptation in s.a.tan's bag of tricks was used against Yahshua (all points of entry and attack), just like all of them (methods) are used against us. Meaning, s.a.tan came against Yahshua to tempt Him just like, or in like manner, as he does against us. "He was in all points (methods, tricks) tried like we are, yet He was without sin."

Nowhere does this verse, or any other like verses claim that Yahshua was actually willing, or even able to succumb to the temptations. As a matter of fact, He could never be seduced,

tempted, or succumb to the temptation. He had no attraction to it, as His flesh wasn't human flesh and thus wasn't fazed by sin. He merely had full exposure to it!

Yet in order to identify with humanity, He allowed Himself to be fully approached by s.a.tan, just like s. a.tan fully in "all points" approaches us. When we have our new flesh from heaven, we can overcome the devil like Yahshua has done, but for now clothed in the flesh of the first Adam, we must continue to simply "resist the devil" in the power of the Ruach and watch him flee.

Objection # 6-If Yahshua is not a man, why then are such terms as "seed," or "zera" used? Terms such as "seed of Abraham," "seed of David" and other such terms, would seem to indicate a human element, or human component to Yahshua's body.

Answer-The terms seed, or zera, are used to indicate the same thing that genealogies indicate. They pinpoint the race, nation, tribe and ancestry of the Hebrew family through which Yahshua chose to visit humanity, cloaked in humanity, without being of any human origin. Therefore He was the seed of Abraham, Isaac and Jacob, and also of King David and Solomon for sure in that sense. But in no manner did He display any of their human nature, because He was conceived nether by human sperm, or human egg. Moreover the term seed, or zera can also speak of a family lineage, or a line of progeny, which is the clearly intended usage of the term throughout Scripture, when making direct reference to the Messiah King Yahshua. See dictionary.com under the word seed: <http://dictionary.reference.com/browse/seed>

On the same point about the Messiah being the "seed of David," Yahshua answers this objection best, as seen in Matthew 22:

41 While the Prushim were gathered together, Yahshua asked them,

42 Saying, *What do you think of the Moshiach? Whose Son [seed] is He?* They said to Him, Ben [Son, seed of] Dawid.

In other words, WHOSE HUMAN SEED, OFFSPRING, OR DESCENDANT IS THE TRUE MESSIAH? They wrongly answered Him like most believers and unbelievers do to this day. He is the HUMAN SEED of DAVID, or the HUMAN seed of the woman of Genesis 3:15, or contains at least some humanity.

43 He said to them, *How then does Dawid in the Ruach call Him the Master YHWH,*¹ *saying,*

If that falsehood is true, Yahshua asks the Pharisees, why then, when King David was filled with the Ruach HaKodesh, or the Holy Spirit, did David contradict this false concept by stating that his own seed, or the seed of David, was not a human seed in any manner, but rather the heavenly Man, the Adam Kadmon, or the MASTER YHWH HIMSELF.

44 *The Master YHWH said to my Master, Sit on My right hand, until I make Your enemies Your footstool?*²

David called his seed YHWH, with NO MENTION of it having any human, or earthly component!!!

45 *If Dawid [filled with the Holy Spirit] then calls Him [Yahshua] Master YHWH, how is He then Dawid's son?*

¹ MarYah in Aramaic a reference to Messiah being YHWH.

² Tehillim/Psalms 110:1-5.

If King David knew that his own seed/offspring would NOT BE HUMAN, but would appear as a human, then how can the Messiah still be David's seed, or David's son? Only if He was YHWH Himself with no human dust component, who visited earth through David's descendants.

46 And no man was able to answer Him a word, and from that day on; no one asked Him any more questions.

Back then just like today, no one holding to the false and wicked doctrine that Yahshua was part human being, part YHWH, or a dual nature Messiah, can correctly answer Yahshua's question, unless one of two things happens.

Either one must admit that they need to be fully immersed in the RUACH like David was at that time, in order to fully grasp, understand and proclaim what David declared about his own offspring, and thus forsake the "theanthropos/god/man" argument. That will take a large dose of humility, which MOST religious leaders today, like then, have refused to exhibit.

Or, if one is still unwilling to reevaluate their prior position after being confronted by Yahshua's very own question (like the Pharisees then and today refuse to do), then like the Pharisees of yesteryear, this question will remain open and unsettled today in those same minds and their conclusion will sadly be unlike King David's, when he was operating in the Holy Spirit. The silence is deafening from those who cannot, or are not even now willing to try and properly answer Yahshua's question.

Objection # 7-It is obvious that Yahshua had no human sperm and thus YHWH the Father, was Yahshua's Father. That's obvious. But,

The Holy Spirit did fertilize Miriam's/Mary's egg did He not? So if Miriam's egg was used, then Yahshua had to be at least partially human. Also the Bible refers to Yahshua being conceived, gestated and born in and through Mary's womb. How then can you claim that He wasn't human at all? One example of Yahshua's conception in Miriam's womb is seen in Luke 1:

30 And the heavenly malach said to her, Fear not, Miryam: for you have found favor with YHWH.

31 And, see, you shall conceive in your womb, and bring forth a Son, and shall call His Name Yahshua.

Answer-Scripture is clear that Yahshua's body was in fact conceived in Miriam's womb and would develop, as would any fetus, until 9 months later when it was born. Miriam did in fact conceive by the power of the Holy Spirit coming into her womb and overshadowing it, meaning fully controlling the conception from both the male and female sides. Meaning, that YHWH's Ruach HaKodesh would first plant the egg and then fertilize that self same egg and thus conceive Yahshua in Miriam's womb. That's a miracle beyond comprehension, as we do not understand where YHWH got the egg, unless He created it from His own substance!

35 And the heavenly malach answered and said to her, The Ruach HaKodesh shall come upon you, and the power of El-Elyon **shall overshadow you:**

Meaning neither you nor Joseph will have any part, or role here and humanity will be fully overshadowed by divinity in this conception.

35b: Therefore also **that Kadosh-One** which shall be born from you shall be called the Son of YHWH.

Note please that this announcement of conception and birth states clearly that the baby born will have no humanity, but will in fact be the promised HOLY ONE OF ISRAEL, as prophesied by Isaiah. YHWH provided both the egg and sperm to conceive and produce the body that YHWH had selected for Yahshua from before the foundation of the world. So Mary's womb was merely a conception and gestation chamber; a mere carrier, or surrogate mother, contributing no egg, blood, flesh, or spirit to the baby that would be born.

Objection #8-So you mean that YHWH did not use Miriam's egg?
Can you prove that?

Answer-Yes I can. Let's use Mary's own words found in Luke 1:46-47. From the so-called "Magnificate."

46 And Miryam said, My being does magnify the Master YHWH,
47 And my ruach has rejoiced in Eloah my Savior.

PLEASE-Do not miss the significance of this declaration by Miriam, the mother/surrogate for the body of heaven. She declared herself A SINNER IN NEED OF SALVATION. If in fact this is true, which it is, then if YHWH used her egg, then Yahshua was in fact part human; but of far greater consequence is the fact that Yahshua would have been born a sinner, or had a human sin nature, as that human sin nature would have been passed down to Him by Mary's egg.

That as we know is simply and completely impossible! Therefore we are left with the fact the YHWH used neither human sperm nor human egg, performing the entire conception and overseeing/overshadowing the entire gestation and birth. He birthed Himself, which is why through His Rauch, He powerfully OVERSHADOWED the entire situation, replacing all human elements with heavenly ones, to produce the body of Yahshua, the flesh of the Master Yah from heaven.

This is where most believers in Christianity and even in Messianic groups get their false concept of "theanthropos," or that Yahshua was "fully man and fully G-d." They have either willfully, or by abdication and lack of understanding, adopted the concept of the "Immaculate Conception," where it is falsely stated and believed that MARY WAS ALLEGEDLY BORN WITHOUT SIN. Most believers falsely believe that the "Immaculate Conception" is simply another term for the virgin birth. Not so. It is the demonic doctrine that Mary had no sin and was born perfect.

Now if this was true, then of course YHWH could use Mary's egg and produce a Holy Savior. BUT we who know and desire the full truth and revelation of the true "Whole Wheat Unleavened Bread" from heaven and we who want to rightly discern the Master Yahshua's body before partaking, recognize that Mary was born just as we were; sinners!

That is her own confession and admission in Luke 1:47. So by her own admission she was a sinner and if YHWH used her own human egg with which to conceive Yahshua, then Yahshua was a sinner and not a Savior and YHWH the Father can be accused of molestation, deception and idolatry, by allegedly producing a

"Jewish mythological figure" to compete with Zeus, Mercury, Venus, and other god/men, or "theanthropos" perversions. That would violate YHWH's own Torah and Ten Commandments in which He declares that we should have no other gods/elohim before Him. Why then would He birth one on earth and set it before His own face? He wouldn't!

I think you now see how we have been deceived all these years by religion. Not only are we to believe in the virgin birth (not the "Immaculate Conception" which sets the stage for the false pagan concept of a god/man). We must believe that it was fully virgin, not just partially virgin, meaning a novum/new thing occurred in the earth.

YHWH used neither human sperm, nor human egg, both tainted by Adam's dust nature; He overshadowed both, borrowing Mary's womb, which is why she was blessed, because she was elected and selected for this holy task, to house the new natured second Adam, the Master YHWH from heaven.

The miracle of the virgin birth is greater than we first believed, as all human nature was shut out of Yahshua's body. In fact when properly understood, it now takes less faith for Jews and Muslims to believe the gospel. **Because they know that Yahshua is either fully YHWH, or fully man, not a hybrid deity like the hybrid Greek mythological figures of the past.** This greater miracle of the virgin birth is actually EASIER to comprehend and believe, ending much religious confusion and removing many key stumbling blocks from the Jewish and Muslim peoples.

Objection #9-Why then is Yahshua called the "seed of the woman" in Genesis 3:15?

Answer- First of all women have no human seed. So obviously the term is a metaphor for the family of Eve. He is called the woman's seed for the same reason He is called the "seed of David," all the while having no humanity. Messiah would be born of Eve's human family, being placed into her maternal descendants and would crush s.a.tan's head. He also will be the "seed of man" by being placed into the paternal lineage of his father King David. So the terms "seed of the woman" and "seed of the man" do not mean that He had any human part, or flesh. It means simply that from Eve's family tree Messiah would come, just like He would come from David's royal house. In this case the word seed, or zera, in light of progressive revelation, can clearly be seen to refer to lineage, not any prophesied human origin, or human component of the Messiah.

Objection #10-Yahshua is called the "Son of Man" and He also called Himself the "Son of Man." Isn't this proof that He was at least partly human?

Answer-The term is used by Yahshua and the prophets to teach that Yahshua would find His earthly mission in His role and in His visitation to identify with humanity and visit the sons of men, thus being seen in the likeness of sinful flesh, yet not from the same composition as that sinful flesh. The term is a term, or title of endearment and identity, to manifest how much YHWH loved and empathized with the human race, as opposed to actually being part of it. He is also called The "Wonderful Counselor." Does that mean that He is a wonderful human guidance counselor? No. Only that He would visit humanity with wonderful heavenly wisdom, guidance, revelation and knowledge.

Objection # 11-Isn't this theology just another form of the ancient heresy of Gnosticism, that taught the YHWH could not and did not come in human form?

Answer-Not at all. The dictionary and encyclopedia define it for us.

Gnos·ti·cism- see:

<http://dictionary.reference.com/search?r=2&q=gnosticism>

“As a group of ancient heresies, stressing escape from this world through the acquisition of esoteric knowledge [sounds like the doctrine of the escape/rapture is truly Gnostic]. Revealed knowledge of God and of the origin and end of the human race as a means to attain redemption for the spiritual element in humans and that distinguished the Demiurge [In the Gnostic system, "conceived as a being subordinate to the Supreme Being, and sometimes as the author of evil] from the unknowable Divine Being.”

Gnosticism falsely taught that salvation is acquired through study of the mysteries, or esoteric knowledge, or unwritten knowledge. That YHWH can never be known. That the deity could NEVER come in flesh, as all flesh and the entire material world was basically evil and that a holy deity would never condescend to visit the material world through His evil subordinate. Obviously Yahshua is YHWH, not the evil subordinate of YHWH, thus the concept of “Whole Wheat Unleavened Bread” is categorically not Gnostic!

The gospel and the Bible teach the opposite. First it teaches that the Renewed Covenant was given so all Yisrael could know Him! That's why Yahshua came!

Moreover, YHWH did come in His own flesh [the flesh] to this sinful world and was not contaminated by it. Both we

and the Bible teach that. See where First John 4: 2-3 says this:

2 By this shall you know the Ruach of YHWH: Every ruach that confesses that Yahhsua ha Moshiach has come in the flesh is from YHWH,

3 And every ruach that does not confess that Yahshua ha Moshiach has come in the flesh is not from YHWH. And this is the ruach of the anti-Moshiach, which you have heard was coming, and is now already in the olam hazeh.

It is other individuals, in their own studies, who do not grasp the truth of “whole wheat unleavened bread” and have added the word “HUMAN” before the word flesh in these key verses, where that word appears in no known translation!!!! That is what got us messed up! Adding things that are not there! 1 Corinthians 15 makes it clear that there are different kinds of “flesh in the cosmos.”

Meaning the Gnostics did NOT believe that YHWH had come to earth in the likeness of human flesh, or YHWH's flesh, or any kind of flesh for that matter and this was and remains an anti Messiah doctrine and spirit. It is the driving “force” and spirit behind Islam.

On the other hand, the truth of the “Whole Wheat Unleavened Bread” confesses that YHWH has in fact come in the likeness of human flesh, or the eternal Word came cloaked in the likeness of human flesh, into this real and material world.

Therefore this correct understanding of the “Whole Wheat Unleavened Bread” does not even remotely begin to smack of any form of Gnosticism. Just the opposite is true!

Wow! Selah! Re-read. And Selah some more!
