Yahrushalayim Wind Newsletter # 339

Shalom Friends,

I also wanted to apologize and make teshuvah for anyone that I have hurt with my actions, or words in the past for being harsh and judgmental with those who have seen the call by YHWH to follow a solar-lunar calendar. Please forgive me for harsh treatment of others. I did those things in ignorance of the truth.

I ask that you share this immediately with any that may fall into that category.

Colossians 2 teaches us as believers how we should guide ourselves in respect of others who may keep Shabbat, or Moadim in a different way than we might. In this area especially we must walk in the revealed light that YHWH has given us, YET not condemning others who walk in the light that has been revealed to them in their progressive walk.

Colossians 2:16 Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of the new moon, or of the Sabbath days:

2:17 Which are a shadow of things to come; but the body of the Messiah.
