

WHY DOESN'T THE MOONS MAIN PHASES ALWAYS LINE UP DIRECTLY WITH THE SHABBAT DAYS: 8TH, 15TH, 22ND, & 29TH?

There are many who say since the Moons Major Phases: *Quarter (half moon), Full Moon, Last Quarter (Last Half)* do line up perfectly with the Shabbat Days, That Lunar-Solar Calendar cannot be correct.

But this is simply another excuse for them to keep and use a roman calendar which is securely and forever rooted in paganism and does not line up with Scripture in any way, shape, or form.

The reason that the Moons Phases may not always line up “perfectly” with the Weekly Shabbat is caused by **Several Factors:**

#1 – The Moon has a 29.5 day monthly cycle. The month is only 29 Days or 30 days long.

#2 – Conjunction or Molad, which is the moment that the moon goes completely dark, can occur in any hour of the night or day. But Rosh Chodesh or New Moon, does not begin until the next day, which begins at the next sunset after Conjunction / Molad.

#3 – The perfect phase of the moon only last a moment and can occur during the night or daytime. So from the last time you get to see the moon, it may be just before a “perfect phase” but by the next time you see the moon because of the 12+ hours of daylight, it may already be past the “perfect phase”.

#4 – Again any “perfect” phase of the moon only last a moment, but yet it takes it a day for all the people on earth to have a chance to view the moon. So the “perfect” phase is only going to be seen by a portion of observers on the earth. The rest of the earth may view it just before or just after the “perfect” phase.

#5 – YHWH moved the Sun 10 degrees, in the time of and as a sign to Hizqiyahu. Since the Moons light is reliant upon its position to the sun, when the sun moved, this caused the Moons Cycle to change from 30 Days per month, to what we see now today, a 29.5 Day Monthly cycle. One Day YHWH will Restore the Sun to its original position, and when He does the Moons 30 cycle will also be Restored.

"No Scripture Ever Contradicts another Scripture, if it seems to we just need to adjust our perspective until we can see them clearly. Unless you can use All the Scriptures without throwing any out, you can't Teach that subject Fully or Correctly."

Ahmos / Amos 9:9-11 *"For, see, I will command, and I will sift Beit Yisrael among all nations, like corn is sifted in a sieve, yet the least kernel of grain shall not fall upon the earth. 10 All the sinners of My people shall die by the sword, who say, The evil shall not overtake nor find us. 11 In that day I will raise up the Sukkah of Dawid that has fallen, and close up the breaches of it; and I will raise up its ruins, and I will rebuild it as in the days of old:"*
