

What and When Is Rosh Chodesh Pt 2

The Eternal Calendar

Rosh Chodesh-ALWAYS is followed by 6 work days and a 7th day Shabbat. Rosh Chodesh is always DAY ONE of the month. It's ALWAYS counted as DAY ONE and is always a MOLAD.

Psalm 81:3-In order for Chag Matzoth and Chag Sukkoth to START as REQUIRED by TORAH under a FULL MOON, day 15 of first and 7 month, you MUST have Rosh Chodesh on a dark moon. If you start the Rosh Chodesh on any other day other than a dark moon, you will invariably start these 2 feasts either before or after a full moon. A biblical prohibition.

Proverbs 7:20-The man is home every FULL MOON after conducting business...why? Because the month begins at dark moon, followed 7 days later by Shabbat and 7 days later by Shabbat, the FULL MOON, the 2nd Shabbat of the month. Grasping the dark moon Rosh Chodesh is key to understanding YHWH's fixed heavenly solar-lunar calendar..

Psalm 8:3, Psalm 72:5, Psalm 81:3, 89:36-37, Psalm 104:19, Psalm 136 7,8,9, 148:3-6,

Psalm 19

1 The shamayim declare the tifereth of El; and the expanse shows His handiwork.

2 Day-to-day utters speech, and night-to-night reveals da'at.

3 There is no speech nor language, where their voice is not heard.

4 Their line is gone out through all the earth, and their words to the end of the olam.

In them has He set a sukkah for the sun,

5 Which is like a bridegroom coming out of his chamber, and has gilah as a strong man to run a race.

6 Its going forth is from the end of the shamayim, and its circuit to the other end: and there is nothing hidden from its heat.

7 The Torah of $\tau\upsilon\omega\eta$ is perfect, returning the being: the testimony of $\tau\upsilon\omega\eta$ is sure, making wise the simple.

After we understand WHEN and WHAT we are set to launch more study!

Hosea 2:11 11 *I will also cause all her gilah to cease, her chagim, her Rosh Chodashim, and her Shabbats, and all her moadim. **Today is the time of restoration!***
