

Shalom Ramyk,

Praise YHWH, I went in to ask the Manager for the days and she said yes, I am so overjoyed I am lighter than air, I am so in love with Yahshua, it is just like the first time all those years ago, I am crying tears of pure joy, my life has finally changed for the better, I bless YHWH for pointing me in the right direction. I thank and praise YHWH for BYSW, for you and Rivkah, you are my true family, I finally found a home.
