Subject: job restored with pay

HI RAB.MOSHE

GREETINGS IN THE NAME OF OUR MASTER YAHUSHUA OUR SOON
COMING MELECH
AND TO THE KAHAL.

This letter is a testimony to all the Yisraelite Kidushim.

My name is ISAAC and i pray that my letter will remove all fear and doubt about the true SHABBAT in the minds and hearts of our Kidushim.

Two weeks ago i was given a choice to choose between YAHUAH true SHABBAT and work, my manager take it up on himself to test my emunah .His exact words are (we wont allow you to miss no more days from work because of your SHABBAT ether you show up for every day or you quit, end of conversation.

Guss what?I quit .

After a week i check my messages and the owner of the company called and left me several messages to give him a call to find out what was going on. So one week past without knowing all this so while i was busy moving YAHUAH was also busy working for me in getting my job back, so i went to collect my last pay after that week had pass and the owner saw me ask me to see him in his office before i left.So we sat and discuss the issue he offer me my job back plus pay me for all the days that i miss from work.

Isn't ABBA YAHUAH amazing and full of wonders? AMEN

So you see brethren we have to show ourselves worthy to receive what Abba YAHUAH is revealing to our Rabi when he reveal hidden things to the kahal in his teachings.So brethren be strong and trust upon YAHUAH right HAND because through him all things are possible.

MAY YAHUAH BLESS YOU ALL IN YAHUSHUA`S NAME AMEN!!
