

Dear Messianic Israel Alliance,

One way to HEAL the divisions, is to repent for telling plural families, like John Conrad is doing, that they need to leave their spouses and break up...how dare you people?...first calling sin what YHWH calls "be fruitful and multiply", kadosh-holy, then asking people to leave their marriages so they can affiliate with the MIA...shame on all of you! Repent! How can you identify Ephrayim and then tell him to LIVE like Israel and become the literal melo hagoyim- fullness of many nations, and yet limit them to 1 wife and 1.5 children, while ISLAM is having 4 wives and 24 children.....by opposing plural marriage the Messianic Israel Alliance and other "Messianic organizations" are defeating the very means by which they can attain and achieve their goals.....you want to end division?

Start now and follow HIS Torah.....the same pattern that YHWH used to built Israel, Ruth 4:11, with Boaz also having 30 sons and 30 daughters (not from one mom, I can assure you) but by many righteous sister wives like RUTH) is the PATTERN established by the Father...here is your big test? Obey YHWH NOW and numbers will come.....disobey Him NOW have the temporal applause of men and stay small in YHWH's eyes.

The RAMYK for the House of Yoseph still blind, as blind as their fearful leaders.

PS I heard of your anti plural marriage paper! Bring it on! I will rebut it point by point and make others see the limitations of your understanding to restore both houses! I pray and ask Abba to reveal this key end time restoration move to you. As you ponder my words remember the words of Rav Gamaliel....be careful what you do to these men...peradventure you be found opposing YHWH!!! Selah!
